- Missing items are noted as “Needs” and must be submitted prior to credential recommendation
 - Examples:
 - CPR – certificate or front and back of signed CPR card
 - US Constitution
 - RICA - submit PDF of passing results for all three subtests. Our office does not automatically receive your score report.
- CalTPAs
 - Scores will be sent directly to CSULB
 - TPA/Program clearance will be provided directly to us by TPAC when passing scores are received and all program requirements have been submitted (including exit survey and evaluations)
- Added Authorizations: if an analyst has included a note that you qualify for an authorization, you must notify us if you want it added to your credential. Make sure it is a subject you would be willing to teach.

APPLYING FOR YOUR CREDENTIAL

Step 1: Complete the program survey and submit confirmation to TPAC.

Step 2: AFTER you have submitted confirmation to TPAC, check MyCSULB to verify that all grades have posted for student teaching and any other coursework. ITEP students must wait for their degree to post.

Step 3: Submit a Request for Recommendation form and any needed items (CPR, US Constitution, RICA) to the Credential Center.

Do not submit a request prior to completing student teaching and all program requirements.

- You will need to provide a non-CSULB email on this form. Please ensure that you will be giving us the same email that you have on file with the CTC.

APPLYING FOR YOUR CREDENTIAL

Step 4: A CSULB Credential Analyst will do a final evaluation and submit an online recommendation to the CTC. The CTC will automatically email you and ask you to complete the application online and pay for your credential.

Step 5: Within 10 business days of submitting your payment, the CTC will email you notification that your document has been granted and is available for viewing in your Educator Profile.

Step 6: Review your document. Contact the Credential Center ASAP if your document is not correct or if you have questions

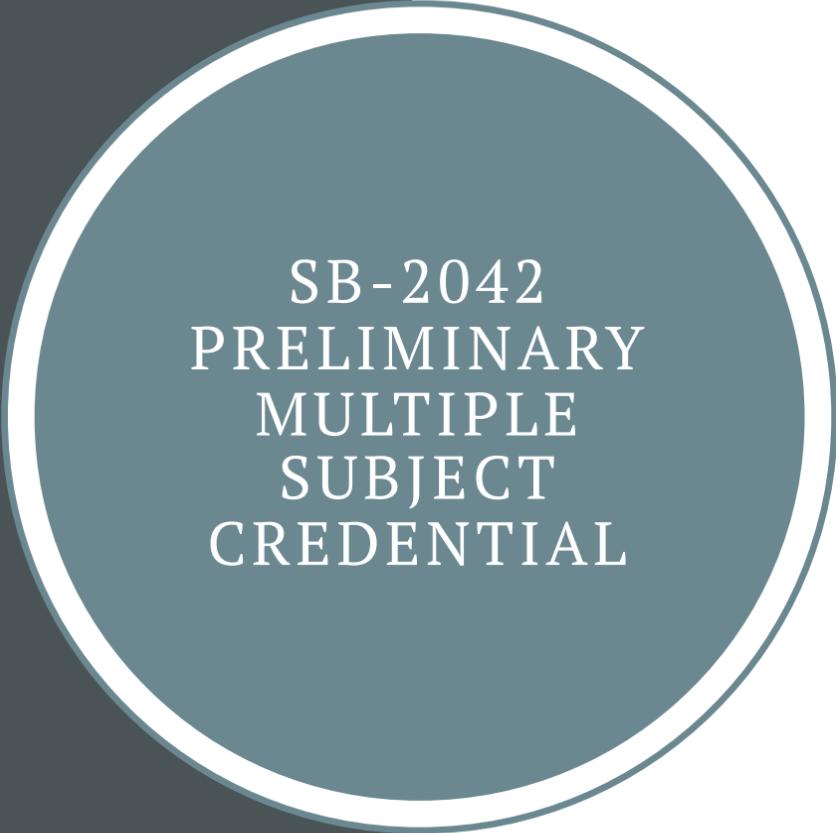

- Application instructions and the link to submit your Request for Recommendation will be emailed to you by a credential analyst

UNIVERSITY INTERNS

- All intern support hours must be submitted and approved by your mentor teacher prior to credential recommendation eligibility. We cannot recommend you for the Preliminary Credential until your hours have been cleared by the Office of Clinical Practice.
- If you have not completed all requirements for credential eligibility by July, you should be prepared to enroll in an Intern Support Class for Fall 2023 (if there is no change in your intern employment for the remainder of the school year)

DEADLINE TO APPLY

- After **July 10, 2023**, your credential file will be on hold if you have not applied for credential recommendation
- After this date, you will need to contact the Credential Center when you have completed all requirements and are ready to apply for your credential. We will no longer actively monitor your file
- When you have completed all requirements, please apply for your credential, even if you do not plan to use your credential yet
 - Candidates who do not finish and apply upon eligibility may be held to new requirements if they are added in the future by the CTC or legislative action
