APPLYING FOR YOUR CREDENTIAL

Step 1: Complete the Single Subject Program Survey and submit your evaluations to TPAC

Step 2: AFTER you have submitted your survey confirmation and evaluations to TPAC, check MyCSULB to verify that all grades have posted for student teaching and any other coursework.

Step 3: After you have finished your student teaching assignment, submit a Request for Recommendation form and any needed items (CPR, US Constitution) to the Credential Center.
Do not submit a request prior to completing student teaching and all program requirements.

APPLYING FOR YOUR CREDENTIAL

Step 4: A CSULB Credential Analyst will do a final evaluation and submit an online recommendation to the CTC. The CTC will automatically email you and ask you to complete the application online and pay for your credential.

Step 5: Within 10 business days of submitting your payment, the CTC will email you notification that your document has been granted and is available for viewing in your Educator Profile.

Step 6: Review your document. Contact the Credential Center ASAP if your document is not correct or if you have questions

- Application instructions and the link to submit your Request for Recommendation will be emailed to you by a credential analyst

- When you have completed all requirements, please apply for your credential, even if you do not plan to use your credential yet
 - Candidates who do not finish and apply upon eligibility may be held to new requirements if they are added in the future by the CTC or legislative action
