

## CAMERA/AUDIO USE & ONLINE ASSESSMENT

QUESTION	ANSWER	WHAT YOU CAN DO	RESOURCE/S
<p><b>Can I require my students to turn on their cameras during an online synchronous session?</b></p>	<p>Yes, faculty can require students to turn on their cameras during a synchronous online course to demonstrate mastery of learning or demonstrate understanding of a concept.</p> <p>Students will be notified in registration that camera use may be required for synchronous online courses.</p> <p>Faculty will not require students to show their settings (i.e., removing a Zoom filter, asking to scan surroundings, etc.)</p> <p>Students who express a need for disability accommodation should be referred to BMAC and faculty should not require them to turn on their cameras until further consultations with BMAC.</p> <p>If testing requires on-camera use, ATS recommends <a href="#">Respondus LockDown Browser and Monitor</a> for proctored exams. However, please note that these resources are not compatible to run on assistive technology software available to <a href="#">BMAC</a> students, and should be disabled for those students.</p>	<p>If a student is enrolled in an online course, the instructor can:</p> <ul style="list-style-type: none"> <li>Clearly state in the syllabus the on-camera requirements for a course.</li> <li>Encourage students to contact Academic Technology Services (ATS) at <a href="mailto:ATS-help@csulb.edu">ATS-help@csulb.edu</a> for support and appropriate technology resources.</li> <li>Faculty are encouraged to develop alternative assessments for online courses that do not require camera use.</li> <li>Ask students to add their photo to their Zoom account.</li> </ul>	<ul style="list-style-type: none"> <li><a href="#">Assessment of Student Learning in Fall 2020; Remote Proctoring Services [PDF]</a></li> <li><a href="#">CSULB's Provost's message on Remote Proctoring for Online Assessment</a></li> <li><a href="#">Office of Academic Programs Graduate Studies Memo</a></li> <li><a href="#">Academic Technology Services</a></li> <li><a href="#">Bob Murphy Access Center (BMAC)</a></li> <li><a href="#">Alternatives to High Stakes Assessments Chart [PDF]</a></li> <li><a href="#">Student Conduct and Ethical Development office</a></li> </ul>

## CLASS RECORDING

QUESTION	ANSWER	WHAT YOU CAN DO	RESOURCE/S
<p><b>Do students need to be informed if the class session is going to be recorded?</b></p>	<p>Yes, faculty must inform students every time class session will be recorded.</p>	<ul style="list-style-type: none"> <li>• Include a statement in your syllabus informing your students that class sessions will be recorded.</li> <li>• Before class, inform your students through email that the class session will be recorded.</li> <li>• If recording in Zoom, participants will be asked to acknowledge and accept that recording will occur.</li> </ul>	<ul style="list-style-type: none"> <li>• <a href="#">CSU Virtual Learning Student Privacy Rights- Frequently Asked Questions [PDF]</a></li> </ul>
<p><b>What is the best way to inform my students that there will be recorded class sessions throughout the semester?</b></p>	<p>Faculty are advised to share with students the purpose of recording the session, and how the recording will be used.</p>	<ul style="list-style-type: none"> <li>• Include in your syllabus if there are going to be any recorded sessions.</li> <li>• Make it clear in your syllabus the purpose of recording class sessions.</li> </ul>	<ul style="list-style-type: none"> <li>• <a href="#">CSU Virtual Learning Student Privacy Rights- Frequently Asked Questions [PDF]</a></li> </ul>

# VIRTUAL LEARNING: STUDENT PRIVACY AND ONLINE ASSESSMENT

	Include information in your syllabus as well as use the learning management system (e.g., class email and announcements) to inform your students when a recorded session will take place.		
<b>If a student does not want to be recorded during a class session, what do I do?</b>	Faculty can require students to turn on their cameras during a synchronous online course.  Students will be notified in registration that camera use may be required for synchronous online courses.	<ul style="list-style-type: none"> <li>Faculty must clearly state in the syllabus the on-camera requirements for a course.</li> <li>Provide access to the recorded session through the learning management system and to class session instructional material/s.</li> </ul>	<ul style="list-style-type: none"> <li><a href="#">CSU Virtual Learning Student Privacy Rights- Frequently Asked Questions [PDF]</a></li> </ul>
<b>Can I share the class session recording outside of class with others not enrolled in the class?</b>	No, faculty should provide the same level of privacy in the virtual instruction they provide in person and consider the recording to be a private record for the registered members of the class only.	<ul style="list-style-type: none"> <li>Follow campus guidelines</li> </ul>	<ul style="list-style-type: none"> <li><a href="#">CSU Virtual Learning Student Privacy Rights- Frequently Asked Questions [PDF]</a></li> </ul>
<b>How long should students enrolled in my class have access a class session recording?</b>	All class session recordings can be erased after the final exam of the course. Therefore, after the final exam students should no longer have access.	<ul style="list-style-type: none"> <li>Provide your students with a confidential and private link to access to the recording/s.</li> </ul>	<ul style="list-style-type: none"> <li><a href="#">CSU Virtual Learning Student Privacy Rights- Frequently Asked Questions [PDF]</a></li> </ul>

## DISABILITY ACCOMMODATIONS

QUESTION	ANSWER	WHAT YOU CAN DO	RESOURCE/S
<b>I have a student with a disability, who should I work with to provide accommodations for this student regarding online assessments?</b>	Students with disabilities must be granted accommodations to which they are entitled for tests.	<ul style="list-style-type: none"> <li>Include in your syllabus a disability statement providing students information on how to request accommodations through the Bob Murphy Access Center (BMAC) and the</li> </ul>	<ul style="list-style-type: none"> <li><a href="#">Assessment of Student Learning in Fall 2020; Remote Proctoring Services [PDF]</a></li> </ul>
