- Maintain data filing system(s) associated with the project and conduct data tracking to ensure completion of data collection, entry and analysis efforts;
- Develop and maintain data dictionaries (codebook) and protocols;
- Maintain and document databases with confidential CSULB BUILD student and faculty data;
- Collect, analyze and report on program data in response to standard and ad hoc requests;
- Provide data reports to the Program Data Manager and/or PIs, as requested;
- Other duties as assigned. This job description is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to the job.

EDUCATION, SKILLS AND ABILITIES:

- Bachelor's degree in public health, psychology, education, program evaluation or a related field, required.
- Master's degree in public health, psychology, education, program evaluation or a related field preferred.
- One (1) to three (3) years of professional experience related to research and/or program evaluation desired
- Prior data management and analysis experience.

- Proficient in using Excel for data management.
- Proficient in using Qualtrics for survey construction and administration.
- Prior knowledge of inferential statistical analyses.
- Ability to use SPSS for data analysis.
- Ability to work independently and follow through on assignments with minimal direction.
- Research experience, including development, implementation, and evaluation of research of longitudinal research designs, preferred.
- Experience with longitudinal data collection desired.
- Advanced use of Excel, Qualtrics, and SPSS, preferred.
- Familiarity with undergraduate research training and mentoring programs desired.
- Experience working with diverse and underrepresented communities in the U.S. desired.

Must be able to accept constructive criticism, prioritize workload, be professional and dependable, interact positively with others and possess a friendly and outgoing personality. Regular, punctual attendance required. This position is employed through the CSULB Research Foundation. Employment is at-will.

COVID-19 VACCINATION REQUIREMENT

Upon being hired, all individuals will be required to attest/certify their COVID-19 vaccination and booster (if applicable) status (proof of vaccination will be required).

POST OFFER BACKGROUND CHECK REQUIREMENT:

A post offer background check (including a reference and criminal records check) must be completed, and the individual cleared, before they can start work with the CSULB Research Foundation. No information will be required prior to the offer of employment. Once an offer of employment is made, failure to complete the background check and receive clearance may affect the application status of a new hire individual and/or the continued employment of a current CSULB Research Foundation employee who has applied for/moved into a new position. Individuals working with minor children and/or the elderly will be required to renew their live scan fingerprinting and be cleared every twelve (12) months. Information obtained through the background check does not automatically disqualify an individual from employment.
