

# COLLEGE OF EDUCATION (COED)

*Liaison: Robert Wendt, Career Counselor*

The College of Education and the Career Development Center continued to provide college specific workshops. Also, the first live job fair since the beginning of the pandemic was the Spring 2022 Educators' Job Fair. This event was small but successful and well received by employers. In addition, there were four workshops during Ed Week for the first time. This led to the addition of new workshop content in the future. At the request of the Associate Dean, the Career Development Center added a workshop on the topic of Interviewing for Educators. This workshop was the most well attended by College of Education students.

## College of Education Student Engagement
