

California State University, Long Beach
Curriculum and Educational Policies Council

Agenda – AY2023-24 – Meeting 7
Wednesday, November 29th, 2023, 2:00-4:00 PM
Zoom: <https://csulb.zoom.us/j/87893439081>
Meeting ID: 878 9343 9081

1. Approval of the agenda: Approved as amended.
 - a. Proposed amendment: Consent calendar item: GE Supplement from GEGC for Fall 2024
2. Approval of minutes from November 8th, 2023 Meeting: Approved.
3. Announcements:
 - a. Dates: Jan 24, Feb 14, 28, Mar 13, 27, April 10, 24, May 8.
 - b. Get feedback on Writing Across the Curriculum to Jeff by the end of semester.
4. Proposed new credential, **PK-3 Early Childhood Education Specialist Instruction Credential Program** – (First Reading) (Time Certain: 2:15pm)
 - a. Ruth Piker.
 - b. Governor wants CA to offer universal pre-school, starting academic year 25-26. TK will eventually be the new universal pre-k. Need to hire 12,000 new teachers.
 - c. Every CSU has been asked to put together this credential program, specific for pre-k through 3rd grade.
 - d. Q: How different is this from what you are currently doing? A: K-8th grade cred is currently offered. To teach transitional kindergarten you currently need 24 units of early childhood development. We will share many resources with multiple subject credential.
 - e. Q: How many new courses? A: 13 courses.
 - f. Q: One of the goals is to cater to bilingual students. In the description of literacy courses, there is nothing on bilingualism A: We will add more things as time goes on.

-
- g. Q: For the regular elementary credential, there are 12+ units of math. We feel there should be consultation with the Math Department. A: Science and math classes will be developed in the spring in consultation with math and science faculty. Until we start offering the course and know where our candidates are, we can't develop the math and sci courses yet. The candidates will already have a bachelor's degree, and will have math from their undergraduate degree.
 - h. Clarification that student teaching is a full-time activity.
 - i. Q: Can they take pre-reqs during undergrad? Yes. But co-reqs cannot be taken as an undergrad.
 - j. Comment: Would be helpful to have courses that candidates who want to improve their skills teaching math would be able to choose.
 - k. Comment: Need library report.
5. Proposed new **Policy on Academic Internships** in response to Chancellor's Office Executive Order 1064) – (Second Reading) (Time Certain: 2:45pm)
- a. Incorporated comments from previous reading.
 - b. Request for clarification of name of policy, as well as affiliation agreements/student field placement agreements.
 - c. Removal of list of references.
 - d. Q: Is there guidance on how to do the reviews?
 - e. 17 in favor, 0 opposed, 0 abstained. Approved.
6. Moment of appreciation for Betina Hsieh. Today is her last meeting.
7. Consent Calendar: **GE Supplement from GEGC for Fall 2024.**
- a. EARTH 150 is listed as upper division, but it's a 100-level course.
 - i. Robert will fix.
8. Proposed new degree, **Bachelor of Science in Applied Data Science** – (Second Reading) (Time Certain: 3:30pm)
- a. Added Library Report.
 - b. Incorporated comments from previous reading.
 - c. Q: Are students able to take it without a concentration? A: No, we have these two, but the hope is that we can add more concentrations.

-
- d. Q: I'm assuming this is a normal number of units? A: Yes. Engineering is a high-unit major.
- e. Q: Will there be a burden for transfers? A: We want transfers to show degree progress.
- f. Q: How are you making sure first year students are making progress? A: Within first 60 units, they must finish their Major Specific Degree Requirements, which transfers will already have done.
- g. 17 in favor, 0 opposed, 0 abstained. Approved.
9. Adjournment 3:47pm

Next meeting: January 24th, 2023
