Financial Aid Agreement	Initials
I understand that I will not be awarded financial aid until all items on my Financial Aid To Do List have been completed, and I have submitted this form to the CSULB Office of Financial Aid and Scholarships.	
I understand that my financial aid funds cannot be released until the start of my program. If my program starts earlier than the CSULB semester, my aid will be released based on the CSULB semester start date.	
I understand that I am responsible for making any payments to the host program. I will receive my financial aid disbursement as a refund. CSULB will not send refunds to anyone other than the student -- or in the case of a Parent PLUS Loan – to the borrowing parent.	
I understand that failure to complete my program, or withdrawal from my program, can result in a charge-back of financial aid.	
I understand that I must submit a copy of my Study Abroad term transcripts to CSULB's Study Abroad Office as soon as grades are posted by my host institution.	
I understand that if I don't transfer a full-time credit load (12 units per semester) back to CSU Long Beach, my aid may be adjusted based on the number of transfer credit hours received.	

Section 3: Satisfactory Academic Progress (SAP)

CSULB monitors and evaluates [Satisfactory Academic Progress \(SAP\)](#) at the end of each semester, once grades are reported. Your SAP status is calculated using your entire academic record from all schools attended. Students participating in a Study Abroad Program will have their coursework/grades reported as "report delayed," which is reflected in the SAP Pace calculation as "attempted, not completed." This may result in a status of "Warning/Disqualified."

Section 4: Program Cost and Additional Funding

Complete the chart below to understand how much your program will cost and determine whether you have enough financial aid to cover those expense. You are required to **complete and compare** your total cost to your accepted financial aid package.

Please note the following:

- **Most COA adjustments only result in increased loan eligibility.**
- **There are no additional grants offered for Study Abroad, only loans**
- Expenses must be directly related to your Study Abroad program – and documentation must be attached to this form to have an adjustment considered.
- For adjustments to Housing, you must submit official documentation confirming the costs/expenses.
