* some Electives may need to be upper division (300/400 level) courses to meet the 40-unit upper division minimum requirement for an undergraduate CSULB degree.

Courses in **bold** will double count for undergraduate and MSG degrees

Courses in *italics* would count toward the Gerontology Minor

Beach EDGE students in Consumer Affairs and Gerontology may double-count 9 approved elective units towards both their B.A. and M.S. degrees. These electives must be completed in residence at CSULB. Transfer courses cannot double-count
