Faculty Advisory Committee on Technology

Annual Report for 2021-2022

Sabrina Landa, Chair

The committee had a productive year. Some highlights included the following:

1. Discussed Ongoing Faculty Training available through the Faculty Center and ATS since AMI.
2. Gathered updates on Bookstore D1DA program for students including nuances with LMS integration.
3. Discussed faculty impact from official move from BeachBoard to Canvas with pilots to begin in Summer 2022.
4. Continued process for Software Matrix updates based on college technology requests regarding campus-wide lab computers.
5. Discussed Roll-Out of new SPOT procedures on Qualtrics.
6. Discussed updates to Classrooms including Hyflex technology using HEERF Funding.
7. Discussed technology and training available to faculty to improve teaching quality.
8. Discussed Zoom recording storage moving new Media tool.
9. Discussed potential of becoming Adobe Creative Campus.
