CSU Long Beach

Fall 2021

The Veterans Services Office at CSU Long Beach submits certifications of enrollment in approved education programs to the U.S. Department of Veterans Affairs (VA), which administers G.I. Bills and Vocational Rehabilitation programs. Programs must be approved by the State Approving Agency and/or VA. Certifications are submitted in accordance with state and federal law and in compliance with campus and VA policies.

- The VA will only pay tuition, fees, and housing allowance for courses on your degree plan that satisfy requirements outlined by the curriculum guide for your program of study (your major or education plan).
- The VA calculates monthly housing allowance (MHA) based on your length of service percentage, the location you attend most of your classes, the teaching modality (online vs. in person), and the number of units you are enrolled in each term (rate of pursuit). Each of these factors may impact the amount of MHA you receive. Contact your School Certifying Official with any questions about MHA.
- In order to remain eligible for VA educational benefits, I understand that I must continue to make satisfactory academic progress towards my educational objective. Failure to make satisfactory progress may result in suspension or termination of VA educational benefits.
- Unless documented mitigating circumstances exist, the VA will not pay for courses for which a student receives a non-punitive grade, where no credit is earned, such as NC. Students who receive a grade of NC at the end of the term may incur a debt to the VA for overpayment of benefits throughout the term.

Read and Acknowledge:

By submitting this request for certification, I acknowledge and agree to each of the following:

- I have submitted all requested documents to Veterans Services Office.
- I must submit a new request for enrollment certification every term for my enrollment to be certified to the VA.
- It is my responsibility to notify the Veterans Services Office of any changes made to my course schedule within 7 days. Failure to do so may result in a debt to the VA for overpayment of benefits during the term.
- I understand I am financially liable for any payment of tuition and fees not covered by the VA.

I understand and agree to the above conditions and the information provided is true and correct.
