Teaching Associate Openings
in Biological Sciences

Recruitment #: TA2425-BIOL

Position
Teaching Associate (Openings in Biological Sciences)

Effective Date
August 19, 2024 (Fall Semester); January 21, 2025 (Spring Semester)

Salary Range
Consult Department for current salary information.

Minimum Qualifications
- BA or BS degree in the Biological Sciences
- Enrollment in the Master's degree program in Biology or Microbiology at CSULB
- Demonstrated ability or potential to teach
- Ability to communicate effectively with an ethnically and culturally diverse campus community

Duties
Teach Anatomy, Biology, Microbiology, or Physiology in lower division courses. Courses include Introduction to Evolution and Diversity, General Biology, Introduction to Marine Biology, Introduction to Cell and Molecular Biology, Biostatistics, Human Anatomy, Human Biology, Human Physiology, Microbiology, General Microbiology and General Genetics. Required mode of instruction may include in-person, hybrid, online, and/or any combination thereof. Newly appointed Teaching Associates must attend pedagogical training sessions and shadow another lab session during the first semester teaching a laboratory course and maintain good academic standing in the department.

Note: Graduate students must be enrolled in at least 1 unit during each semester employed unless program courses are not available or all course work (except thesis) has been completed, in which case enrollment in GS 700 is permitted. **This is university policy.**

CSULB seeks to recruit faculty who enthusiastically support the University's strong commitment to the academic success of all of our students, including students of color, students with disabilities, first generation to college, veterans, students with diverse socio-economic backgrounds, and diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

Required Documentation

Letter of application (including current email address) addressing the minimum and desired/preferred qualifications, curriculum vitae, three current letters of recommendation, and a copy of transcript from institution awarding highest degree. Finalists will be required to submit a signed SC-1 Form and an official transcript.

Application Deadline

Position open until filled (or recruitment canceled). Review of applications to begin on April 1 for Fall Semester; October 31 for Spring Semester. Applicant pool will expire annually on June 30.

Applications, required documentation, and/or requests for information should be addressed to:

Department Chair
California State University, Long Beach
Department of Biological Sciences
1250 Bellflower Blvd, Long Beach, CA 90840
PHONE: (562) 985-4806
EMAIL: biology@csulb.edu

Employment Requirements

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

The person holding this position is considered a "mandated reporter" under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 Revised July 21, 2017 as a condition of employment.

CSULB is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility and respect for the rights and sensibilities of each individual, without regard to race, color, national origin, ancestry, religious creed, sex, gender identity, sexual orientation, marital status, disability, medical condition, age, Vietnam era veteran status, or any other veteran's status. CSULB is an Equal Opportunity Employer.
