- Develop and maintain data dictionaries and protocols.
- Maintain and document databases with confidential CSULB BUILD student and faculty data.
- Collect, analyze, and report on program data in response to routine and ad hoc requests.
- Collaborate with lead evaluator and PIs on the implementation, analysis, and reporting of student and faculty surveys.
- Work with the evaluation team to obtain IRB approvals for program and evaluation data collections on an ongoing basis.
- Oversee the data collection, entry, and cleaning conducted by graduate assistants on an ongoing basis.
- Attend research conferences and NIH program meetings as required.

- Continue communication with BUILD PIs, staff, lead evaluator, and evaluation team.
- Additional duties, as assigned.

EDUCATION, SKILLS AND ABILITIES

- Master's degree in public health, psychology, education, program evaluation or a related field.
- 1-3 years of professional experience related to research and/or program evaluation.
- Data management and analysis experience.
- Knowledge and skills of inferential statistical analyses.
- Intermediate to advanced skills in Excel.
- Ability to use SPSS for data analysis.
- Intermediate level program evaluation and related methodological skills.
- Proven ability to manage and perform multiple tasks under conditions of fluctuating workloads, competing requirements, and changing deadlines.
- Ability to work independently and follow through on assignments with minimal direction.
- Strong writing skills.
- Administrative, organizational, and communication skills.
- Discretionary judgment necessary to handle confidential matters.

Preferred Qualifications

- Understanding of research methodology and ethics
- Familiarity with databases.
- Skills and experience with creating data visualization skills such as Excel or Tableau.
- Research experience, including development, implementation, and evaluation of research of longitudinal research designs.
- Experience with longitudinal data collection.
- Advanced use of SPSS.
- Familiarity with undergraduate research training and mentoring programs.
- Experience working with diverse and underrepresented communities in the U.S.
