Welcome to

CALIFORNIA STATE UNIVERSITY LONG BEACH

California State University, Long Beach is a member of the 23-campus California State University (CSU) system. The initial college, known then as Los Angeles-Orange County State College, was established on January 29, 1949, and has since grown to become one of the state's largest universities.

The first classes in 1949 were held in a converted apartment building on Anaheim Street and the cost to enroll was just \$12.50. The 169 transfer students selected for the 25 courses offered in Teacher Education, Business Education, and Liberal Arts were taught by 13 faculty members.

Enrollment increased in 1953 when freshman and sophomore students were admitted.

Expansion, in acreage, degrees, courses and enrollment continued in the 1960s, when the educational mission was modified to provide instruction for undergraduate and graduate students through the addition of master's degrees.

In 1972, the California Legislature changed the name to California State University, Long Beach. Today, more than 41,000 students are enrolled at Cal State Long Beach, and the campus annually receives high rankings in several national surveys.

What students find when they come here is an academic excellence achieved through a distinguished faculty, hard-working staff and an effective and visionary administration. The faculty's primary responsibility is to create, through effective teaching, research and creative activities, a learning environment where students grow and develop to their fullest potential.

Today you are attending one of seven Commencement Ceremonies, taking place over three days, to celebrate the accomplishments of the more than 11,000 graduates and candidates. They are earning doctoral, master's and bachelor's degrees as well as credentials and certificates. We are proud of our graduating students, who now go forward to serve society.

A Message from the President...

Dear Graduate,

Congratulations on this extraordinary occasion as you celebrate the culmination of your studies at The Beach!

As you move the tassel on your cap from right to left, know that this ceremony is more than a milestone — it marks the end of one remarkable chapter and the beginning of another, brimming with excitement and promise.

This commencement ceremony stands as powerful evidence of your resilience and your ability to conquer every challenge that has come your way. This moment honors your many achievements: the countless deadlines met, proposals written, projects brought to fruition, and friendships nurtured. Yes, there were hurdles, but you rose above them, demonstrating that every step in life is a chance to learn and thrive.

All that you have experienced and learned at CSULB has given you the tools needed to shape the world for the better. As you step into new opportunities, you are poised to be a force for good in your communities, leaving a legacy of unique contributions that will uplift us all.

We are here today not only to celebrate your accomplishments but also to honor those who have walked this journey with you. Our dedicated faculty and staff, our unwavering Beach alumni, and your families and friends have all played a vital role in your success. To them, we owe heartfelt gratitude.

Congratulations, Class of 2025! As we celebrate your achievements, I am thrilled to welcome you into our extraordinary alumni family. Remember: You are Beach Alumni for life!

Go Beach!

Sincerely,

A handwritten signature in black ink, reading "Jane Close Conoley".

A Message from the Chancellor...

Dear Class of 2025,

As we celebrate your accomplishments today, I hope you'll take a moment to consider how much you've changed since you first set foot on campus. In your time at the California State University, you have transformed yourself from someone with big dreams on a quest for knowledge into a person empowered to make limitless contributions to our world.

This transformation was inspired, supported and admired by your family, friends, colleagues and loved ones, who have cheered you on through your academic journey. It was spurred by your faculty, who have helped you develop a critical eye and a creative mind. And it was reinforced by the work of your counselors, advisors, librarians, tutors and coaches, who fostered an encouraging environment for you to persist, thrive and succeed.

You have filled all of us with pride.

You are now part of a vibrant network of well over four million CSU alumni who are powering California, the nation and the world. Together, you will solve our greatest challenges, educate the next generation, fight for democracy and a more just society, and enrich our workforce and communities with your talents.

As you continue on your exciting path forward, please stay connected to your alma mater and to the CSU. I hope you will use your connections – both to your campus and to other CSU alumni – to open new doors of possibility and to make a meaningful impact in your chosen field. I also encourage you to reach back often to support those who aspire to follow in your footsteps.

Today's event is called "commencement" for a reason. It is not an end, but rather the beginning of your next great pursuit. May your hard work and sacrifices lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2025. We can't wait to see all that you will accomplish.

Sincerely,

A handwritten signature in black ink, reading "Mildred Garcia".

Mildred Garcia, Ed.D.
Chancellor

Home to scholars, artists, dreamers

All are welcome here

Maker of tomorrow's leaders

Now and through the years

Love for all that came before us

In our hearts we hold

Always honor, truth, and justice

Always black and gold

Rise and innovate forever

Ever higher reach

All our lives we shall remember

Beautiful Long Beach
