SUBJECT: New Resources Available on Calstate.edu

Dear Chairs and Members of the ASCSU and CSU Campus Academic Senates,

As we continue to navigate these uncertain times, we are writing to share two sources of information and resources that have been added to [CalState.edu](https://calstate.edu), the CSU system's website.

First, a [CSU Federal Updates](#) page has been launched to provide regular updates on federal actions and their implications for the CSU, as well as to compile information and resources that are available across the system and through external partners. We anticipate that additional, emergent topics and resources will be added over time.

Second, the [Immigration Enforcement Concerns Resources for Faculty and Staff](#) page is now live in the [Systemwide Human Resources](#) section of the website. This employee-focused platform serves as a central location for guidance, FAQs and reference materials aimed at addressing concerns related to immigration enforcement and its potential impact on our campus communities.

Page 2

The page includes key resources to support faculty and staff in responding to immigration-related issues. We encourage you to explore the information provided and to circulate it widely among your teams. In addition, we ask that you share the [Resources for Undocumented Students](#) page with any students who may be seeking support.

These additions represent another meaningful step in our broader commitment to providing timely and relevant resources. We ask that these resources be shared broadly within your campus communities.

Thank you for your continued leadership and dedication to fostering a safe, inclusive and informed campus environment.
