STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

Vermont:

1. The following requirement applies:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

- 1) the Policy Effective Date; or
- 2) the date on which You complete the Eligibility Waiting Period for Coverage shown in the Schedule of Insurance, if applicable.

Enrollment: *How do I enroll for coverage?*

All eligible Active Employees will be enrolled automatically by the Employer.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

Your coverage will start on the date You become eligible.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

Continuity From A Prior Policy: *Is there continuity of coverage from a Prior Policy?*

If You were:

- 1) insured under the Prior Policy; and
- 2) not eligible to receive benefits under the Prior Policy;

on the day before the Policy Effective Date, the Deferred Effective Date provision will not apply.

Is my coverage under The Policy subject to the Pre-existing Condition Limitation?

If You become insured under The Policy on the Policy Effective Date and were covered under the Prior Policy on the day before the Policy Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Policy Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Policy; or
- 2) the date the restriction would have ceased to apply had the Prior Policy remained in force, if Your coverage was limited by a pre-existing condition limitation under the Prior Policy.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

The Pre-existing Conditions Limitation will apply after the Policy Effective Date to the amount of a benefit increase which results from a change from the Prior Policy to The Policy, a change in benefit options, a change of class or a change in The Policy.

Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?

If You received monthly benefits for disability under the Prior Policy, and You returned to work as a Full-time Active Employee before the Policy Effective Date, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your class;
- 3) the date premium payment is due but not paid;
- 4) the last day of the period for which You make any required premium contribution;
- 5) the date Your Employer terminates Your employment; or
- 6) the date You cease to be a Full-time Active Employee in an eligible class for any reason;

unless continued in accordance with any of the Continuation Provisions.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Employer; and
- 3) terminates if:
 - a) The Policy terminates; or
 - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Coverage while Disabled: *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

Waiver of Premium: *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

Extension of Benefits for Disability: *Do benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

BENEFITS

Disability Benefit: *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

Loss of License: If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are Disabled from Your Occupation or Any Occupation.

Mental Illness and Substance Abuse Benefits: *Are benefits limited for Mental Illness or Substance Abuse?*

If You are Disabled because of:

- 1) Mental Illness that results from any cause;
- 2) any condition that may result from Mental Illness;
- 3) alcoholism; or
- 4) the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance;

then, subject to all other provisions of The Policy, We will limit the Maximum Duration of Benefits.

Benefits will be payable for a total of 24 months, for all such disabilities during Your lifetime unless at the end of the 24 month period:

- 1) You are confined in a hospital or other place licensed to provide medical care for the disabling condition, in which case:
 - a) benefits will continue during the confinement; and
 - b) if You are still Disabled when discharged, benefits will continue for a recovery period of up to 90 days; and
 - c) if You become re-confined during the recovery period for at least 14 consecutive days, benefits will continue during the confinement and another recovery period of up to 90 days; or
- 2) You continue to be Disabled and, within 7 days become confined in a hospital, or other place licensed to provide medical care, for the disabling condition for at least 14 consecutive days in which case benefits will be paid while You are so confined.

Recurrent Disability: *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Recover or Recovery means that You are no longer Disabled and have returned to work with the Employer and premiums are being paid for You.

Calculation of Monthly Benefit: Return to Work Incentive: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Indexed Pre-disability Earnings by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. For the first 12 months that benefits are payable while working, We will only reduce Your Monthly Benefit by that amount of Your Current Monthly Earnings, which when combined with Your Monthly Benefit amount exceeds 100% of Your Indexed Pre-disability Earnings.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage;

- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

Calculation of Monthly Benefit: *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Indexed Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Indexed Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

Minimum Monthly Benefit: *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

Partial Month Payment: *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment by Your treating Physician that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
 - a) are greater than 100% of Your Pre-disability Earnings during the first 12 months that You are receiving for being Disabled from Your Occupation;
 - b) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation for a period exceeding 12 months or more; or
 - c) are greater than the lesser of the product of Your Indexed Pre-disability Earnings and the Benefit Percentage or the Maximum Monthly Benefit if You are receiving benefits for being Disabled from Any Occupation; or
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration.

Family Care Credit Benefit: *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
 - a) Your children under age 13; or
 - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is:
 - a) \$350 during the first 12 months of Rehabilitation; and
 - b) \$175 thereafter;
 but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;
- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease on the first to occur of the following:
 - a) You are no longer in a Rehabilitation program; or
 - b) Family Care Credits for 24 months have been deducted during Your Disability; and

- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss. For the first 12 months, in no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 100% of Your Pre-disability Earnings. After 12 months, in no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 80% of Your Indexed Pre-disability Earnings.

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 3 times the lesser of:

- 1) Your Monthly Income Loss multiplied by the Benefit Percentage in effect on the date of Your death; or
- 2) The Maximum Monthly Benefit.

Surviving Spouse means Your spouse who was not legally separated or divorced from You when You died.

"Spouse" will include Your domestic partner provided You:

- 1) have executed a domestic partner affidavit, establishing that You and Your partner are domestic partners for purposes of The Policy; or
- 2) have registered as domestic partners with a government agency or office where such registration is available.

You will continue to be considered domestic partners provided You continue to meet the requirements described in the domestic partner affidavit or required by law.

Surviving Children means Your unmarried children, step children, legally adopted children who, on the date You die, are primarily dependent on You for support and maintenance and who are under age 26.

The term Surviving Children will also include any other children related to You by blood or marriage or domestic partnership and who:

- 1) lived with You in a regular parent-child relationship; and
- 2) were eligible to be claimed as dependents on Your federal income tax return for the last tax year prior to Your death.

EXCLUSIONS AND LIMITATIONS

Exclusions: *What Disabilities are not covered?*

The Policy does not cover, and We will not pay a benefit for, any Disability:

- 1) unless, after satisfying the Elimination Period, You are under the Regular Care of a Physician;
- 2) that is caused or contributed to by war or act of war, whether declared or not;
- 3) caused by Your commission of or attempt to commit a felony;
- 4) caused or contributed to by Your being engaged in an illegal occupation; or

You have a Pre-existing Condition if:

- 1) You received medical treatment, care or services for a diagnosed condition or took prescribed medication for a diagnosed condition in the 3 months immediately prior to the Effective Date of Your coverage under The Policy; or
- 2) You suffered from a diagnosed condition, which was misrepresented or not disclosed in Your application and
 - a) for which You received a Physician's diagnosis or treatment within 3 months before the Effective Date of Your coverage under The Policy; or
 - b) which caused symptoms within 3 months before the Effective Date of Your coverage under The Policy for which a prudent person would usually seek medical diagnosis or treatment.

GENERAL PROVISIONS

Notice of Claim: *When should I notify The Company of a claim?*

Written notice of claim must be given to Us within 20 days after the occurrence or commencement of any loss covered by The Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the claimant to Us at Sacramento, CA, with information sufficient to identify the insured Active Employee, shall be deemed notice to Us.

Claim Forms: *Are special forms required to file a claim?*

We, upon receipt of a notice of claim, will furnish to You such forms as are usually furnished by Us for filing proof of loss. If such forms are not furnished within 15 days after the giving of such notice You shall be deemed to have complied with the requirements of The Policy as to proof of loss upon submitting, within the time fixed in The Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Proof of Loss: *What is Proof of Loss?*

Written Proof of Loss must be furnished to Us, in case of claim for loss for which The Policy provides any periodic payment contingent upon continuing loss, within 90 days after the termination of the period for which We are liable, and in case of claim for any other loss, within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the employee, later than one year from the time proof is otherwise required.

Time of Payment of Claim: *When are benefit payments issued?*

Subject to due written proof of loss, all accrued indemnity for loss for which The Policy provides periodic payment will be paid monthly and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

Payment of Claims: *To whom will my claim be paid?*

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any indemnity of The Policy shall be payable to the estate of the insured employee, or to an insured employee or beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity up to an amount not exceeding \$1,000 to any relative by blood or connection by marriage of the insured employee or beneficiary who is deemed by Us to be equitably entitled thereto. Any payment made by Us in good faith pursuant to this provision shall fully discharge Us to the extent of such payment.

Change of Beneficiary: *Who has the right to change the beneficiary?*

The right to change of beneficiary is reserved to the insured employee, and the consent of the beneficiary or beneficiaries shall not be requisite to any change in beneficiary.

Physical Examinations and Autopsy: *Will I be examined during the course of my claim?*

We at Our own expense shall have the right and opportunity to examine the person of the insured when and as often as We may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

Claim Denial: *What notification will I receive if my claim is denied?*

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to The Policy provisions on which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

Claim Appeal: *What recourse do I have if my claim is denied?*

On any claim, You or Your representative may appeal to Us for a full and fair review. To do so You:

- 1) must request a review upon written application within:
 - a) 180 days of receipt of claim denial if the claim requires Us to make a determination of disability; or
 - b) 60 days of receipt of claim denial if the claim does not require Us to make a determination of disability; and
- 2) may request copies of all documents, records, and other information relevant to Your claim; and
- 3) may submit written comments, documents, records and other information relating to Your claim.

We will respond to You in writing with Our final decision on the claim.

Social Security and Other Income Benefits: *When must I apply for Social Security and Other Income Benefits?*

You must apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You must apply within 45 days from the date of Our request. You will be required to follow the process established by the Social Security Administration, provided We believe such action can reasonably be expected to result in an award. Social Security Assistance, through a vendor, is available to help You with the application process.

If You are eligible for benefits under The Canadian Pension Plan, The Quebec Pension Plan, Railroad Retirement Act, or other similar government plan You will be required to apply for such benefits if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits You are eligible to receive with reasonable diligence, provided We believe such action can reasonably be expected to result in an award.

If Your Disability was caused by a work injury, You will be required to apply for Workers' Compensation benefits with Your employer if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence, provided We believe such action can reasonably be expected to result in an award.

If You are eligible for benefits from California State Disability Insurance or disability insurance from another state, You will be required to apply for California State Disability Insurance or disability insurance from another state if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence, provided We believe such action can reasonably be expected to result in an award.

Benefit Estimates: *When does the Company estimate Social Security and Other Income Benefits?*

We will use any reasonable means to estimate the amount of Other Income Benefits payable under the Social Security Administration's Disability Income Program, the Canadian Pension Plan, The Quebec Pension Plan or any similar plan or act if We reasonably believe You and Your spouse and children are entitled to receive them but You and Your spouse and children have not applied; or failed to pursue them with reasonable diligence; or You have failed to provide Us with proof that You and Your spouse and children have applied for and reasonably pursued these benefits. We will deduct the estimated amount of this benefit from Your Monthly Benefit payable under this plan even if You and Your spouse and children are not receiving these benefits.

We will use any reasonable means to estimate the amount of temporary disability benefits payable to You under a workers compensation law or any other occupational disease law or similar act; or the amount of benefits payable to You under any statutory benefit law, plan or act if We reasonably believe You are entitled to receive them but You have not applied; or failed to pursue them with reasonable diligence; or failed to provide Us with proof that You have applied for

and reasonably pursued these benefits. We will deduct the estimated amount of these benefits from Your Monthly Benefit payable under this plan even if You are not receiving these benefits.

Overpayment: *When does an overpayment occur?*

An overpayment occurs:

- 1) if the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

Overpayment Recovery: *How does The Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that is an overpayment. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days or contact Us to establish a reasonable recovery plan.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
 - a) You;
 - b) any other organization;
 - c) any other insurance company;
 - d) any other person to or for whom payment was made; and
 - e) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors until full reimbursement is made. Payments may continue when the overpayment has been recovered;
- 3) refer Your unpaid balance to a collection agency; and
- 4) pursue and enforce all legal and equitable rights in court.

Subrogation: *What are The Company's subrogation rights?*

If You:

- 1) suffer a Disability because of the act or omission of a Third Party;
- 2) become entitled to and are paid benefits under The Policy in compensation for lost wages; and
- 3) initiate legal action for the recovery of such benefits from the Third Party;

then We will be subrogated to any rights You may have against the Third Party.

Third Party as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Reimbursement: *What are The Company's Reimbursement Rights?*

We have the right to request to be reimbursed for any benefit payments made or required to be made under The Policy for a Disability for which You recover payment from a Third Party.

If You recover payment from a Third Party as:

- a) a legal judgment;
- b) an arbitration award; or
- c) a settlement or otherwise;

You must reimburse Us for the lesser of:

- a) the amount of payment made or required to be made by Us; or
- b) the amount recovered from the Third Party, attributable to loss of income, less any reasonable legal fees associated with the recovery.

Third Party as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Legal Actions: *When can legal action be taken against Us?*

No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

It is a crime if You and/or Your Employer commit Insurance Fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit Insurance Fraud. We will pursue all available legal remedies if You and/or Your Employer perpetrate Insurance Fraud.

The falsity of any statement in the application shall not prevent the right to recovery under The Policy unless such false statement was made with actual intent to deceive or unless it materially affects either the acceptance of the risk or the hazard assumed by Us.

Time Limit on Certain Defenses: *What happens if facts are misstated?*

After this Policy has been in force for a period of two years, no statements of the Employer contained in the application, and no statement relating to insurability made by any Active Employee eligible for coverage under The Policy shall be used to deny a claim or in contesting the validity of the insurance with respect to which such statement was made after the insurance has been in force prior to the contest for a period of two years during the lifetime of the person with respect to whom any such statement was made.

No claim for loss incurred or disability, as defined in The Policy, commencing after two years from the effective date of the insurance coverage with respect to which the claim is made shall be reduced or denied on the ground that a disease or physical condition, not excluded from coverage by name or specific description effective on the date of loss, had existed prior to the effective date of the coverage with respect to which the claim is made.

Other Misstatements: *What happens if other facts are misstated?*

If other material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

Eligibility Determination: *How will We determine Your eligibility for benefits?*

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility or Your beneficiaries for benefits for any claim You or Your beneficiaries make on The Policy. We will:

- 1) obtain with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;
- 2) as a part of Our routine operations, We will apply the terms of The Policy for making decisions, including decisions on eligibility, receipt of benefits and claims, or explaining policies, procedures and processes;
- 3) if We approve Your claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with The Policy as described in the provision entitled **Claim Denial**.

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled **Claim Appeal**. If You do not appeal the decision to Us, then the decision will be Our final decision.

We may make a retroactive allocation of any retroactive Other Income Benefit. A retroactive allocation may result in an overpayment of Your claim.

The amount of any increase in Other Income Benefits will not be included as Other Income Benefits if such increase:

- 1) takes effect after the date benefits become payable under The Policy; and
- 2) is a general increase which applies to all persons who are entitled to such benefits.

You will not be required to claim any retirement benefits which You may only get on a reduced basis.

This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

Effective Date: *When does my coverage start?*

Coverage will start on the date You become eligible.

All Effective Dates of coverage are subject to the Deferred Effective Date provision.

If, on the date You are to become covered:

- 1) under The Policy;

You are not Actively at Work due to a physical or mental condition, such coverage will not start until the date You are Actively at Work.

Continuity from a Prior Policy: *Is there continuity of coverage from a Prior Policy?*

Your initial coverage under The Policy will begin, and will not be deferred if, on the day before the Policy Effective Date, You were insured under the Prior Policy, but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance and accidental death and dismemberment principal sum:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way.

The amount of continued coverage will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and

In all other respects, the terms of Your coverage remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage may be continued until the last day of the month following the month in which the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

- 1) for a period of 12 consecutive month(s) from the date You were last Actively at Work; or

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Eligible Coverages: *What coverages are eligible under this provision?*

This provision applies only to Your Basic Life Insurance.

You are not eligible to apply for both the Portability Benefit and Waiver of Premium for the same coverage amount for You.

Disabled: *What does Disabled mean?*

Disabled means as a result of injury or sickness, You are unable to engage with reasonable continuity in Your own occupation for 24 months after the date of disability. Beyond the initial 24 month period, You are considered Disabled if, due to the same injury or sickness, You are unable to engage with reasonable continuity in any occupation in which You could reasonably be expected to perform satisfactorily in light of Your age, education, training, experience, station in life, and physical and mental capacity.

In addition, You will be considered Disabled if You have been diagnosed with a life expectancy of 12 months or less.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 65 when you become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 6 consecutive months, starting on the date You were last Actively at Work or provide proof that You have been diagnosed with a life expectancy of 12 months or less; and
- 3) provide such proof within one year of Your last day of work as an Active Employee.

In any event, You must have been Actively at Work under The Policy to qualify for Waiver of Premium.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 6 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us, then Waiver of Premium ceases.

However, if We deny Waiver of Premium, You may be eligible to:

- 1) continue coverage under the Portability Benefit; or
- 2) convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 6 month(s) that You are Disabled, the 6 month waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 6 month period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Benefit Payable before Approval of Waiver of Premium: *What if I die before I qualify for Waiver of Premium?*

If You die within one year of Your last day of work as an Active Employee, but before You qualify for Waiver of Premium, We will pay the Amount of Life Insurance which is in force for You provided:

- 1) You were continuously Disabled;
- 2) the Disability lasted or would have lasted 6 months or more; and
- 3) premiums had been paid for coverage.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until You attain age 65, if You became Disabled on or after age 60.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You may be eligible to exercise the Conversion Right if You do so within the time limits described in such provision. The Amount of Life Insurance that may be converted will be subject to the terms and conditions of the Conversion Right. Portability will not be available.

Effect of Policy Termination: *What happens to the Waiver of Premium if The Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium Your coverage under the terms of this provision will not be affected.

- 1) it was not reasonably possible to give proof within the required time; and
- 2) proof is given as soon as reasonably possible; but
- 3) not later than 1 year after it is due unless You, or the person who has the right to claim benefits, are not legally competent.

For Accelerated Benefit, Written Proof of Loss must be furnished to Us, in case of claim for loss for which The Policy provides any periodic payment contingent upon continuing loss, within 90 days after the termination of the period for which We are liable, and in case of claim for any other loss, within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the employee, later than one year from the time proof is otherwise required.

Time of Payment of Claim: *When are benefit payments issued?*

Indemnities payable under The Policy for any loss other than loss for which The Policy provides periodic payments will be paid as they accrue immediately upon receipt of due written proof of such loss. Subject to due written Proof of Loss, all accrued indemnity for loss for which The Policy provides periodic payment will be paid monthly and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

Physical Examination and Autopsy: *Can We have a claimant examined or request an autopsy?*

We at Our own expense shall have the right and opportunity to examine the person of the insured when and as often as We may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

Claim Payment: *When are benefit payments issued?*

When We determine that benefits are payable, We will pay the benefits in accordance with the Claims to be Paid provision, but not more than 30 days after such Proof of Loss is received.

Benefits may be subject to interest payments as required by applicable law.

Claims to be Paid: *To whom will benefits for my claim be paid?*

Life Insurance Benefits and benefits for loss of life under the Accidental Death and Dismemberment Benefit will be paid in accordance with the life insurance Beneficiary Designation provided it does not contradict the Claim Payment provision.

If no beneficiary is named, or if no named beneficiary survives You, We may, at Our option, pay:

- 1) the executors or administrators of Your estate;
- 2) all to Your surviving spouse;
- 3) if Your spouse does not survive You, in equal shares to Your surviving children; or
- 4) if no child survives You, in equal shares to Your surviving parents.

In addition, We may, at Our option, pay a portion of Your Life Insurance Benefit up to \$500 to any person equitably entitled to payment by reason of having incurred expenses on Your behalf or because of expenses from Your burial. Payment to any person, as shown above, will release Us from liability for the amount paid.

If any beneficiary is a minor, We may pay his or her share, until a legal guardian of the minor's estate is appointed, to a person who at Our option and in Our opinion is providing financial support and maintenance for the minor. We will pay:

- 1) \$200 at Your death; and

- 2) monthly installments of not more than \$200.

Payment to any person as shown above will release Us from all further liability for the amount paid.

We will make any payments, other than for loss of life, to You. We may make any such payments owed at Your death to Your estate. If any payment is owed to:

- 1) Your estate;
- 2) a person who is a minor; or
- 3) a person who is not legally competent,

then We may pay up to \$1,000 to a person who is related to You and who, at Our sole discretion, is entitled to it. Any such payment shall fulfill Our responsibility for the amount paid.

For Accelerated Benefit, all payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any indemnity of The Policy shall be payable to the estate of the insured employee, or to an insured employee or beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity up to an amount not exceeding \$1,000 to any relative by blood or connection by marriage of the insured employee or beneficiary who is deemed by Us to be equitably entitled thereto. Any payment made by Us in good faith pursuant to this provision shall fully discharge Us to the extent of such payment.

Change of Beneficiary: *Who has the right to change the beneficiary?*

The right to change of beneficiary is reserved to the insured employee, and the consent of the beneficiary or beneficiaries shall not be requisite to any change in beneficiary.

Beneficiary designations will become effective as of the date You signed and dated the form, even if You have since died. We will not be liable for any amounts paid before receiving notice of a beneficiary change from the Employer.

In no event may a beneficiary be changed by a power of attorney.

Claim Denial: *What notification will my beneficiary or I receive if a claim is denied?*

If a claim for benefits is wholly or partly denied, You or Your beneficiary will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to the provisions upon which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

Claim Appeal: *What recourse do my beneficiary or I have if a claim is denied?*

On any claim, the claimant or his or her representative may appeal to Us for a full and fair review. To do so, he or she:

- 1) must request a review upon written application within:
 - a) 180 days of receipt of claim denial if the claim requires Us to make a determination of disability; or
 - b) 60 days of receipt of claim denial if the claim does not require Us to make a determination of disability; and
- 2) may request copies of all documents, records, and other information relevant to the claim; and
- 3) may submit written comments, documents, records and other information relating to the claim.

We will respond in writing with Our final decision on the claim.

Eligibility Determination: *How will We determine Your eligibility for benefits?*

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility for benefits for any claim You or Your beneficiaries make on The Policy. We will:

- 1) obtain with Your or Your beneficiaries' cooperation and authorization if required by law, only such information that is necessary to evaluate Your or Your beneficiaries' claim and decide whether to accept or deny Your or Your beneficiaries' claim for benefits. We may obtain this information from Your or Your beneficiaries' Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your or Your beneficiaries' option and at Your or Your beneficiaries' expense, You or Your beneficiaries may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your or Your beneficiaries'

choice. You or Your beneficiaries should provide Us with all information that You or Your beneficiaries want Us to consider regarding Your or Your beneficiaries' claim;

- 2) As part of Our routine operations, We will apply the terms of The Policy for making decisions, including decisions on eligibility, receipt of benefits and claims or explaining policies, procedures and processes;
- 3) if We approve Your claim, We will review Our decision to approve Your or Your beneficiaries claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your or Your beneficiaries' claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with The Policy as described in the provision entitled **Claim Denial**.

In the event We deny Your or Your beneficiaries' claim for benefits, in whole or in part, You or Your beneficiaries can appeal the decision to Us. If You or Your beneficiaries choose to appeal Our decision, the process You or Your beneficiaries must follow is set forth in The Policy provision entitled **Claim Appeal**. If You or Your beneficiaries do not appeal the decision to Us, then the decision will be Our final decision.

Incontestability: *When can the Life Insurance Benefit, excluding Accelerated Benefit, of The Policy be contested?*

Except for non-payment of premiums, Your Life Insurance Benefit, excluding Accelerated Benefit, cannot be contested after two years from its effective date.

In the absence of fraud, no statement made by You relating to Your insurability will be used to contest Your insurance for which the statement was made after Your insurance has been in force for two years. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

Time Limit on Certain Defenses: *What happens if facts are misstated?*

For Accelerated Benefits, After this Policy has been in force for a period of two years, no statements of the Employer contained in the application, and no statement relating to insurability made by any Active Employee eligible for coverage under The Policy shall be used to deny a claim or in contesting the validity of the insurance with respect to which such statement was made after the insurance has been in force prior to the contest for a period of two years during the lifetime of the person with respect to whom any such statement was made.

Assignment: *Are there any rights of assignment?*

Except for the dismemberment benefits under the Accidental Death and Dismemberment Benefit, You have the right to absolutely assign all of Your rights and interest under The Policy including, but not limited to the following:

- 1) the right to make any contributions required to keep the insurance in force;
- 2) the right to convert; and
- 3) the right to name and change a beneficiary.

We will recognize any absolute assignment made by You under The Policy, provided:

- 1) it is duly executed; and
- 2) a copy is acknowledged and on file with Us.

We and the Policyholder assume no responsibility:

- 1) for the validity or effect of any assignment; or
- 2) to provide any assignee with notices which We may be obligated to provide to You.

You do not have the right to collaterally assign Your rights and interest under The Policy.

Legal Actions: *When can legal action be taken against Us?*

No action at law or in equity shall be brought to recover on The Policy prior to the expiration of 60 days after written Proof of Loss has been furnished in accordance with the requirements of The Policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Workers' Compensation: *How does The Policy affect Workers' Compensation coverage?*

The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.

Insurance Fraud: *How does the Company deal with fraud?*

Insurance fraud occurs when You, and/or the Employer provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if You, and/or the Employer commit insurance fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit insurance fraud. We will pursue all available legal remedies if You and/or the Employer perpetrate insurance fraud.

Misstatements: *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) the premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

Claim Procedures for Claims Requiring a Determination of Disability

Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Insurance Company has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on *de minimis* violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Insurance Company demonstrates that the violation was for good cause or due to matters beyond the control of the Insurance Company and that the violation occurred in the context of an ongoing, good faith exchange of information between the Insurance Company and you. This exception is not available if the violation is part of a pattern or practice of violations by the Insurance Company. Before filing a civil action, you may request a written explanation of the violation from the Insurance Company, and the Insurance Company must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Insurance Company met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Insurance Company's receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Insurance Company shall provide you with notice of the resubmission.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Insurance Company, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the Insurance Company's review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Insurance Company do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and

10) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company (or at the direction of the Insurance Company) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before the Insurance Company can issue an adverse benefit determination on review based on a new or additional rationale, the Insurance Company shall provide you, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request. The Insurance Company may also toll the time for a decision to allow you a reasonable opportunity to respond to new or additional evidence or a new or additional rationale. Tolling will begin on the date that the Insurance Company provides you with new or additional evidence or a new or additional rationale, and end when the Insurance Company receives the response or on the date by which the Insurance Company has requested a response, whichever comes first.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
