BEACH Women in Engineering Conference

Join us for our 6th annual BEACH Women in Engineering Conference, brought to you by the CSULB College of Engineering and 100+ Women Strong!

Technical sessions this year include Systems Thinking, Quantum Computing, AI and Manufacturing, and so much more!

Our signature Coaching Circles provide an opportunity to have small group discussions with industry professionals. The conference app gives you networking opportunities up to 3 months after the event.

The \$15 registration fee also includes breakfast, lunch, and a small gift!

Date & Time:

Friday, April 10th 2026
09:00 - 15:30

Location:

LB Airport Marriott
4700 Airport Plaza Dr.
90815

Keynote Speaker

Dr. Anita Sengupta
CEO, Hydroplane
Professor of Astronautical Engineering, USC
