Treasures from yesteryear will be showcased on this nostalgic tour of downtown Los Angeles with our beloved, professional L.A. guide, Johnathon. This guided driving tour will feature insightful narration and fascinating anecdotes as we explore multiple downtown neighborhoods. Prepare for a deep dive into the art, architecture and history of some L.A.’s best-known and most iconic landmarks, providing a fascinating perspective on the incredible evolution of downtown L.A.

We’ll admire the stately presence of City Hall, Union Station and the L.A. Central Library along with the modern curves of the Disney Concert Hall and the redeveloped Theatre District. See the incredible new developments around Crypto.com Arena and Grand Park including The Grand by Frank Gehry. We’ll go inside the legendary Biltmore Los Angeles and the light-filled atrium of the Bradbury Building (pending filming), visit Pershing Square and explore the birthplace of Los Angeles at Olvera Street. We’ll take a ride on the historic Angels Flight Railway – it has faithfully traveled up Bunker Hill since 1901 and is known as the world’s shortest railway!

Enjoy lunch on your own at Philippe the Original, the historic landmark that has been serving up delicious comfort food since 1908. Famed as the inventor of the French dip sandwich, Philippe’s holds the distinction of being the oldest continuously operating restaurant in Los Angeles!
