

# Career Tips from CCJ Faculty

01

## Backwards planning is key

- Talk to outreach or hiring department of workplace - Ask about minimum qualifications and job postings
- Be open to different types of positions - there are support roles in every workplace

02

## Start your internship search and preparation early

- Reach out to potential internship sites early
- Treat your internship like a job interview - internships can turn into employment opportunities

03

## Connect with your professors

- Connect in-person, if possible: Not everything can be conveyed through email
- Your professors are supportive and well-connected: Lean on them to provide insight and advice
- Your professors have different backgrounds and can speak to different areas of CCJ

04

## Join **CJSA** (Criminal Justice Student Association)

- IG: @cjsacsubl
- cjsacsubl@gmail.com
- CJSA hosts an **annual job fair** - Check it out and get involved!

Connect with other students, faculty, and gain leadership experience.
