▲ 2026 COMMENCEMENT CEREMONY

Photo above: Carlson Bloc Bell Tower. In 1965, the International Sculpture Symposium contributed nine monumental pieces and designs to CSULB. These works received credits in 21 national and international publications, and, in 1972, additional community funds in the form of a trust provided for the completion of the Carlson Memorial Tower, designed by French sculptor Andre Bloc.

Welcome to

CALIFORNIA STATE UNIVERSITY LONG BEACH

California State University, Long Beach is a member of the 22-campus California State University (CSU) system. The initial college, known then as Los Angeles-Orange County State College, was established on January 29, 1949, and has since grown to become one of the state's largest universities.

The first classes in 1949 were held in a converted apartment building on Anaheim Street and the cost to enroll was just \$12.50. The 169 transfer students selected for the 25 courses offered in Teacher Education, Business Education, and Liberal Arts were taught by 13 faculty members.

Enrollment increased in 1953 when freshman and sophomore students were admitted.

Expansion — in acreage, degrees, courses and enrollment — continued in the 1960s, when the educational mission was modified to provide instruction for undergraduate and graduate students through the addition of master's degrees.

In 1972, the California Legislature changed the name to California State University, Long Beach. Today, more than 42,000 students are enrolled at Cal State Long Beach, and the campus annually receives high rankings in several national surveys.

What students find when they come here is an academic excellence achieved through a distinguished faculty, hard-working staff and an effective and visionary administration. The faculty's primary responsibility is to create, through effective teaching, research and creative activities, a learning environment where students grow and develop to their fullest potential.

Today you are attending one of 13 Commencement ceremonies, taking place over five days, to celebrate the accomplishments of the more than 10,000 graduates and candidates. They are earning doctoral, master's and bachelor's degrees as well as credentials and certificates.

We are proud of our graduating students, who now go forward to serve society.

A Message from the President...

Dear Graduate,

Today's ceremony marks a momentous accomplishment for which you should be tremendously proud. Earning your degree required sacrifice, determination, and incredible effort. It also required much of those close to you: your family, mentors, faculty, staff, and the community you've created at The Beach. Carry those individuals with you as you walk across the graduation stage, and into your future. They are, have been, and will continue to be your strongest supporters.

Just as your degree required much from you, it will gift much to you. From today forward, your degree serves as a message to the broader community—future employers, prospective partners, potential collaborators—that you have put in the work, learned the skills, developed the dispositions, and are now ready to lean fully into your purpose. As Beach alumni you are ready to contribute responsibly and intellectually to your career, your communities, and to the public good. You are ready to contribute to society in deeply meaningful ways.

Since 1950, The Beach has celebrated graduates in commencement ceremonies, sending them into the world confident in their abilities to be of service to others. Today, you become part of that prestigious lineage, and I know that you are equally ready for the responsibility that comes with being a Beach alum. So, go forward with ambition, yes, and with integrity, care, and a commitment to something larger than yourselves.

Congratulations again, graduates. Know that Cal State Long Beach will always have you back!

You have my sincerest congratulations on achieving this milestone, and I wish you the absolute best in your future endeavors.

Always, go Beach!

Sincerely,

A handwritten signature in black ink that reads "Loren J. Blanchard". The signature is written in a cursive, flowing style.

Loren J. Blanchard, Ph.D.
President

A Message from the Chancellor...

Dear Class of 2026,

Today marks both the end your time with the California State University and the start of an exciting new chapter. Along with the degree you worked so hard to earn, you have gained knowledge, skills and connections that I know will take you far.

Your accomplishment is celebrated today by so many people, including those who supported you on this journey: your family, friends and all those whose love sustained you; the faculty who trained you to look at the world with a critical eye and an open mind; and the counselors, advisors, librarians, tutors and coaches who together created an encouraging environment for you to succeed and to thrive.

You have made all of them, and me, extraordinarily proud.

As you face new opportunities in the days ahead, you will do so empowered by your membership in a vibrant global network of more than four and a half million CSU alumni. Together, you are certain to enrich our workforce and communities. After all, CSU alumni (like you!) have so much to contribute, whether it is exploring solutions to society's greatest challenges, working to educate and inspire the next generation or powering the fight for democracy and a more just world.

No matter the path you choose, please stay connected to your alma mater and to the CSU. Your connections – both to your campus and to other CSU alumni – are powerful tools that can help to open new doors of possibility. Likewise, I encourage you to offer support to all those who aspire to follow in your footsteps in pursuit of a CSU degree.

You begin writing your next chapter today – and I wish you every success. May your hard work and creativity lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Felicidades, California State University Class of 2026! I can't wait to see all that you will accomplish.

Warmly,

A handwritten signature in black ink that reads "Mildred Garcia". The signature is written in a cursive, flowing style.

Mildred Garcia, Ed.D.
Chancellor

COLLEGE OF EDUCATION

The College of Education is a teaching and learning community that prepares professionals who promote equity and excellence in diverse urban settings. The College prepares educators based on seven key ideas: effective pedagogy, evidence-based practices, collaboration, leadership, innovation, scholarship, and advocacy. The College is a national leader in preparing the next generation of counselors, teachers and educational leaders to meet the needs of children, youth and adults in our diverse communities. Undergraduate, credential, master's and doctoral programs in the College work closely with local, regional, national and international community partners. In addition to preparing students for teaching credentials, the College offers a wide variety of advanced credentials and master's degree programs, and an Ed.D. in Educational Leadership.
