

## **Elementary Subject Matter Competency Review:**

### **Combination of Coursework and CSET Multiple Subject subtest exams**

#### **DIRECTIONS AND GUIDE FOR STUDENTS**

**California Education Code requires that all candidates for a teaching credential must demonstrate they are proficient in the subject matter area of their intended credential.** Recent action by the Governor and the Legislature on AB 130 (Chapter 44, Statutes of 2021) has expanded the ways in which candidates may demonstrate subject matter proficiency.

**Additional options for demonstration of subject matter** include the following:

- Completion of coursework addressing each of the Commission-adopted subject matter domains.
- Completion of a combination of coursework and examination(s) that meets or exceeds the subject matter domains.

These requests should be completed by CSULB students and/or graduates who **did not pursue the Liberal Studies undergraduate degree**. **A CSULB-issued Student ID Number is required.**

**Steps to request an evaluation:**

**STEP 1: Determine which Multiple Subject CSET exam(s) you would like to be evaluated for in meeting subject matter domains with courses.** Students may request multiple subtests.
