GRIEF: How to Navigate the World and Fulfill Dreams When Dealing with Loss

With Tommy Le, Founder of Reinne's Place

Please join us for a talk with Tommy Le, Founder of Reinne's Place. Mr. Le's story is uniquely and directly relevant to the curriculum of HDEV 300. Following the loss of his longtime partner, Reinne Lim, Mr. Le channeled his grief into creating a local Long Beach coffee shop named Reinne's Place. This coffee shop was a powerful, real-world example of meaning-making and adaptive coping in the aftermath of bereavement.
