

How to Enroll in CSU Fully Online

Before enrolling in an online course at another CSU, you should complete the CSU Fully Online Readiness Survey (available on the [CSU Fully Online](#) website) to be sure that this program is right for you. Consult with your academic advisor to determine if the course can apply to your degree requirements.

Once you have reviewed the CSU Fully Online requirements and determined you are eligible to participate in the program:

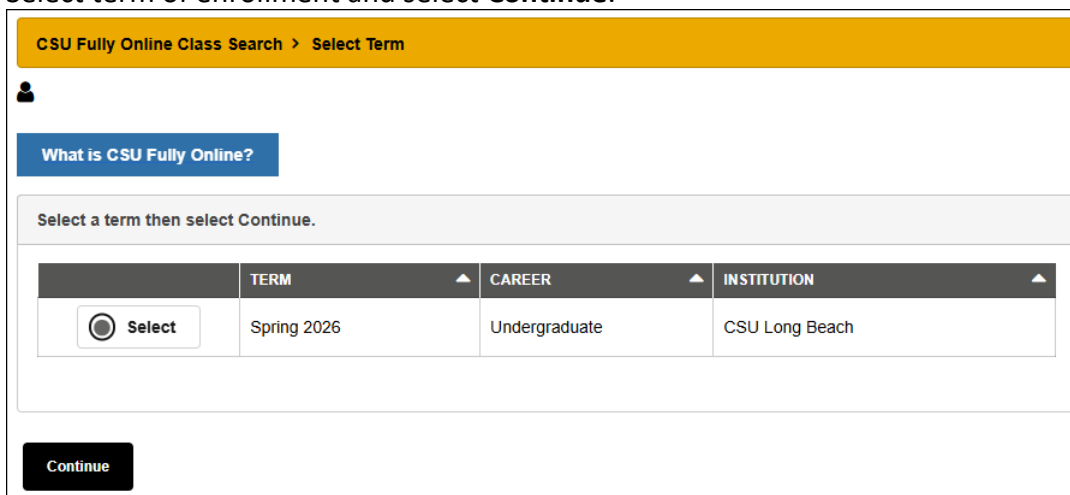

1. Select the **Enroll in CSU Fully Online** link in your Student Center.

The screenshot shows the 'Academics' section of a student center. On the right sidebar, a list of links includes 'Search', 'Degree Planner', 'Enroll', 'My Academics', 'My Textbooks', 'Enrollment Adjustments', and 'CSU Fully Online'. A red arrow points to the 'CSU Fully Online' link. The main content area displays 'This Week's Schedule' with a table of classes and their deadlines.

You have requested or enrolled in the maximum number of CSU Fully Online classes allowed for this term.

Final confirmation of enrollment will be sent to you from the host campus along with information regarding logging into their Self-Service portal.

If you change your mind before the host campus begins processing, you may **cancel** your request. If the campus has begun processing, you will need to wait. If course enrollment is accepted, you must request to drop the course by the process that the host campus follows. You will not be able to drop, cancel or swap through the Enroll in CSU Fully Online portal.
