

Career Tips from SLP Faculty

[SLP Career
Tips Video](#)

01

Enroll in **SLPA course**

- Great way to get clinical hours and open career pathways
- Completion of SLPA course will prepare you to work as Speech-Language Pathologist Assistant

02

Be open to working with various **populations**

- SLPs work with wide variety of patients
- SLPs work in education, healthcare/hospitals, government agencies, private practice

03

Get connected with **on-campus SLP Clinic**

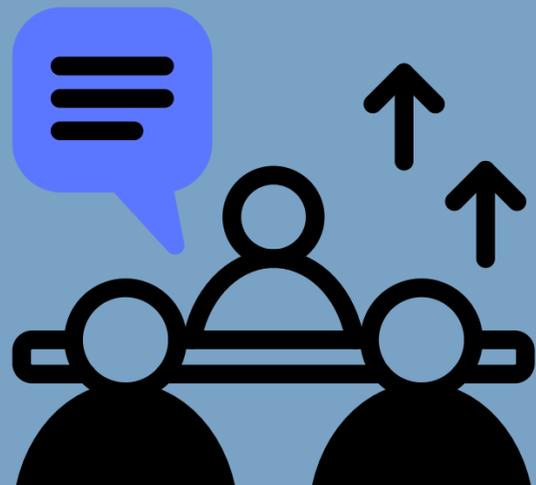

- CSULB has on-site [SLP Clinic](#) where students may be able to gain valuable experience

04

Stay **informed** and **network**

NSSLHA IG:
@csulbnsslha

- Connect with other SLP students and faculty
- Be the first to know about events and opportunities
