A Message from Police Chief John Brockie

This year marks the 50th Anniversary of the University Police Department (UPD) which represents the department's ongoing commitment to protecting and serving our diverse campus community. Throughout the Spring semester, UPD responded to 90 medical emergencies, 127 citizen assists, and 72 welfare checks, while CAST, our mobile mental health team, provided 185 service episodes for the campus and surrounding community. With every call for service, training, and program, UPD always strives to create a safe environment and make positive connections with students, faculty, and staff.

I encourage you to explore the [University Police Department](#) website to learn more about our programs and how UPD is working to ensure the safety of the campus.
