

What Does UDOIT Look For?

UDOIT scans your Canvas content and uploaded files for accessibility issues that could create barriers for students.

Canvas Content

HTML content in announcements, assignments, quiz instructions, discussions, pages, the syllabus, and module URLs.

- | | | | |
|---|-----------------|---|------------------|
| ✓  | Color | ✓ H1 | Page Headings |
| ✓  | Deprecated HTML | ✓  | Page Structure |
| ✓  | Embedded Media | ✓ Aa | Styled Headings |
| ✓  | Images | ✓  | Table Headers |
| ✓  | Links | ✓  | Video Captions |
| ✓  | Media Links | ✓  | Video Connection |

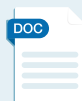

Files

UDOIT Advantage checks files for issues that can make assistive technology navigation difficult.
