

Instructional Student Assistant Openings in Chemistry and Biochemistry

Recruitment #: ISA2627-CHEM

Position

Instructional Student Assistant, [Chemistry and Biochemistry](http://www.csulb.edu/chemistry)

Effective Date

- **Fall Semester:** August 17, 2026
- **Spring Semester:** January 21, 2027

Salary Range

ISA pay starts at \$18.00/hour for undergraduate students and \$21.80 for graduate students. Students may be appointed for up to 20 hours/week.

Minimum Qualifications

- Enrollment in an undergraduate or graduate degree program at CSULB during the semester of employment.
- Evidence of continuing success in primary academic program at CSULB.
- Evidence of strong organizational skills and responsibility for all positions.
- Evidence of strong academic skills for assisting faculty teaching chemistry and biochemistry lecture classes.
- Evidence of strong interpersonal skills for teaching positions.
- Ability to communicate effectively with an ethnically and culturally diverse campus community.

Duties

Assist the department's faculty in teaching lecture classes for up to 20 hours per week. Required mode of assistance may include in-person, hybrid, online, and/or any combination thereof. Maintain good academic standing in the department.

Students may be employed for a maximum of 20 hours per week at all campus jobs combined. Students anticipating employment in other positions on campus must inform the Chemistry and Biochemistry Department at the time of application.

CSULB seeks to recruit faculty who enthusiastically support the University's strong commitment to the academic success of all of our students, including students of color, students with disabilities, first generation to college, veterans, students with diverse socio-economic backgrounds, and diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

Required Documentation

- Letter of application (including current email address) addressing the minimum and desired/preferred qualifications
- Resume/CV
- At least one current letter of recommendation (signed and dated less than 1 year ago)
- Copy of transcript
- Applicants offered employment will be required to submit a signed SC-1 Form

Application Deadline

Position open until filled (or recruitment canceled). Review of applications is ongoing for Fall Semester and will begin on October 31 for Spring Semester. Applicant pool expires annually on June 30.

Applications, required documentation, and/or requests for information should be addressed to:

Department Coordinator
Department of Chemistry and Biochemistry
California State University, Long Beach
1250 Bellflower Blvd, Long Beach, CA 90840
PHONE: (562) 985-4941
EMAIL: chemistry@csulb.edu

Employment Requirements

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

Applicants will be required to disclose whether they have received a final administrative decision or final judicial decision determining that they have committed sexual harassment within the last 7 years only after a determination is made that they meet the minimum qualifications for the position, and before an offer of employment is extended. Applicants who reach the final stages of the application process must also sign a release form that authorizes the release of information by the applicant's current and/or former employers to the CSU concerning any substantiated allegations of misconduct.

The person holding this position is considered a "mandated reporter" under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 Revised July 21, 2017 as a condition of employment.

CSULB is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility and respect for the rights and sensibilities of each individual, without regard to race, color, national origin, ancestry, religious creed, sex, gender identity, sexual orientation, marital status, disability, medical condition, age, Vietnam era veteran status, or any other veteran's status. CSULB is an Equal Opportunity Employer.
