COLLEGE OF BUSINESS

GRADUATE RECOGNITION 2020

CALIFORNIA STATE UNIVERSITY LONG BEACH
Cover and photo above: Carlson Bloc Bell Tower. In 1965, the International Sculpture Symposium contributed nine monumental pieces and designs to CSULB. These works received credits in 21 national and international publications, and, in 1972, additional community funds in the form of a trust provided for the completion of the Carlson Memorial Tower, designed by French sculptor Andre Bloc.

Welcome to
CALIFORNIA STATE UNIVERSITY LONG BEACH

California State University, Long Beach is a member of the 23-campus California State University (CSU) system. The initial college, known then as Los Angeles-Orange County State College, was established on January 29, 1949, and has since grown to become one of the state’s largest universities.

The first classes in 1949 were held in a converted apartment building on Anaheim Street and the cost to enroll was just $12.50. The 169 transfer students selected from the 25 courses offered in Teacher Education, Business Education, and Liberal Arts which were taught by 13 faculty members. Enrollment increased in 1953 when freshman and sophomore students were admitted.

Expansion, in acreage, degrees, courses, and enrollment, continued in the 1960s, when the educational mission was modified to provide instruction for undergraduate and graduate students through the addition of master’s degrees.

In 1972, the California Legislature changed the name to California State University, Long Beach. Today, more than 37,000 students are enrolled at Cal State Long Beach, and the campus annually receives high rankings in several national surveys.

What students find when they come here is an academic excellence achieved through a distinguished faculty, hard-working staff, and an effective and visionary administration. The faculty’s primary responsibility is to create, through effective teaching, research, and creative activities, a learning environment where students grow and develop to their fullest potential.

This year, we will celebrate the accomplishments of the more than 9,000 graduates and candidates. They are earning doctoral, master’s, and bachelor’s degrees as well as credentials and certificates. We are proud of our graduating students, who now go forward to serve society.
Dear Graduate,

Warmest congratulations from your Beach family!

The completion of a college degree is a significant milestone, one that brings a lifetime of intellectual, professional, and personal rewards.

That your graduation comes at such an extraordinary moment in time makes your achievement all the more remarkable. I want you to know that your focus, persistence, resolve, and engagement over the past few difficult months have been an inspiration to faculty, staff, and classmates — and to me personally.

I also want to emphasize that your Beach journey does not end here. You are joining a large and accomplished alumni community, now more than 350,000 members strong, and I encourage you to take advantage of every opportunity to network with and build on our great tradition of Beach Pride. The future may be unknowable, but your degree and your alma mater will always be mainstays in your life, as will so many of the connections and friendships you formed here. “The Beach is for Life!”

My thanks and congratulations also extend to your families and friends — to all of those who have supported, encouraged, and loved you as you pursued your academic dreams and adapted to this semester’s changed instructional environment. You are all heroes in my book.

Graduate, you are entering a world greatly in need of your talents and contributions. Wherever your path may lead, I urge you to be strong, take heart, and continue doing all of the things that brought you the academic success we celebrate today. This graduating class will always have a special place in my memory.

Go Beach!

Jane Close Conoley, Ph.D.
President

---

Dear Class of 2020,

Congratulations on achieving this consequential milestone on the journey of a lifetime.

I am sure that, when you look back upon your commencement in the years to come, it will be with mixed emotions. Most often, you’ll be filled with pride and a powerful – and well-earned – sense of accomplishment. Perhaps sometimes you’ll relive a sense of amazement at attaining a goal that, at times, felt more than a little daunting. At other times, you may feel disappointment because of the unique and disruptive challenges brought on by the COVID-19 pandemic. I understand. The culmination of your college experience was not as you had expected – a virtual celebration following months of virtual learning, made necessary by this global public health crisis of historic proportions.

On this last point, it is my hope that you will also remember the ingenuity, adaptability, resilience and indomitable spirit you, your classmates, and your faculty and staff have demonstrated during these unprecedented and challenging times. I know I will. I will forever admire the class of 2020, and you will always hold a special place in my heart. And I have every confidence that the qualities that you have shown through these difficult days will continue to serve you well as you encounter life’s inevitable periods of hardship and uncertainty.

So today, we celebrate you – and all the hard work, perseverance and scholarship that brought you to this day.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and inspired you to see the world from new perspectives. We acknowledge the counselors, advisors, librarians, coaches and support staff who championed you at every turn. And indeed, we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people, and let them know how much their support means.

We call today’s celebration a “commencement” because it is not an end, but rather a new beginning. As you start the next chapter of your life, I urge you to continue to wholeheartedly pursue knowledge, truth and innovation, and to strive to elevate your community, state, nation and — indeed — the world, as you achieve your personal and professional goals.

And I encourage you to stay in contact with your campus and the larger California State University community. Connect with classmates, seek out faculty as mentors and join alumni chapters. Look for opportunities to inspire and support future generations who seek to follow in your footsteps. As a proud CSU graduate myself, I welcome you to the world’s largest and most influential alumni community – more than 3.8 million strong.

On behalf of the entire California State University, again, congratulations to the truly remarkable class of 2020.

Sincerely,

Timothy P. White
Chancellor
THE COLLEGE OF BUSINESS

The College of Business (COB) has nearly 5,000 graduate and undergraduate students. COB offers one undergraduate degree—Bachelor of Science in Business—with eight options: Accountancy, Finance, Information Systems, Human Resource Management, Management, Marketing, Operations & Supply Chain Management, and an interdisciplinary option in International Business. In addition, COB offers six undergraduate minors: Finance, Entrepreneurship, Human Resources Management, Information Systems, International Business, and Marketing. At the graduate level COB offers six degrees: Master of Business Administration (MBA), Master of Science in Accountancy (MSA), Master of Science in Finance (MSF), Master of Science in Information Systems (MSIS), Master of Science in Marketing Analytics (MSMA) and Master of Science in Supply Chain Management (MSSCM).

COB faculty members are known for their teaching skills and are recognized for the research they generate in their fields. In addition to their scholarly research, COB faculty members are active in business consulting and community activities. COB’s twelve student organizations provide personal and professional development and serve as a way for students to make meaningful connections on campus. Typical programs and events include professional speakers, company tours, career fairs, and skill building workshops. COB also engages with local companies and business professionals to provide internships and one-on-one mentoring opportunities for students.
