6 **Policy on Graduate Studies 700**
7 (Revision of University Policy Statement 75-25)
8

9 This policy revision was recommended by the Academic Senate on March 17,
10 2005 and approved by the President on June 10, 2005.
11

12 Every semester, graduate students must be registered in a course or in GS 700
13 or must have an approved educational leave. Registration in GS 700 is restricted
14 to graduate students who have completed all course work, have been advanced
15 to candidacy, and have departmental approval. Registration in a course or in GS
16 700 also is required in winter or summer session if that is when a student plans
17 to graduate. Although no unit credit is added to the student's program or
18 transcript, GS 700 is considered as one unit of concurrent enrollment credit for
19 fee payment purposes, payable at University College and Extension Services.
20 Application forms are available from and must be approved by department
21 graduate advisors. Registration in GS 700 is CR/NC only.
