

Hi,

In collaboration with ID Card Services and in preparing things for your move in, we need your assistance.

ID Card Services will be pre-printing all housing student's campus ID cards for us to pick up and issue at your move in day (more details to come in future emails). ID Card Services is requiring photos for the ID Cards to be printed. So, you will need to submit a photo to <https://www.csulb.edu/49er-shops-at-the-beach/get-your-id>. All you will need to do is submit the required photo to the above link. You will NOT need to pick them up. Housing & Residential Life will have them for you on move in day.

If you have a campus ID already in hand, please bring them to your check in time on move in day. We will exchange the card, so you have the most up to date card. Your ID Card will be your meal card and your room key, so it is important you have the most up to date card issued.

Photo submissions need to be in by Friday July 30th Noon. Without photos submitted for your ID card, this could delay your move in process.

If you encounter issues on the ID Card services website, please contact them at IDCard@csulb.edu

REMINDER: More information about Move In Days will be sent in a future email, or visit the [CSULB Housing Website](#) and click on the Move-In Days button.

Looking forward to seeing you,

Housing & Residential Life
California State University Long Beach
