Welcome from the Director

Greetings everyone! Thank you so much for joining us at our 3rd Annual Wings of Hope Fundraiser. My name is Dr. Norma Salcedo and I am the Director of the Dream Success Center at CSULB. In my role, I provide leadership, direction, and oversight of the services provided at the Dream Success Center.

Wings of Hope was created thanks to leadership of FUEL student leaders and DSA administrations who saw a need to develop an event that would raise funds to help serve our students served at the Dream Success Center, challenge inequities, and promote an environment where there are no barriers for AB 540 students. Our event goals are to create a space that highlights the community cultural wealth cultivated by CSULB students and raise funds to support the academic and personal success of our students. All funds raised will provide scholarships, book grants and other important resources. Your commitment and support to our Wings of Hope Fundraiser are crucial to developing programs and opportunities that contribute to our students' success. Funds raised will provide scholarships, book grants and other important resources to students.

The CSULB Dream Success Center will ensure that your donations will go directly to students who have dreams of graduating and making this a better world for all of us. We hope you will continue to join us at further events. You can learn more about our services and resources by visiting us at **www.csulb.edu/dream**.

Thank you to all our donors, sponsors, CSULB, and Long Beach community for making this event possible. I look forward to furthering our partnerships to ensure student success.

Best,
Norma Salcedo

Class of 2022**

"I have learned to continue to fight, make the most of my memories, and work towards a change for not just me but for all."

BUTTERLY PEER MENTORSHIP SCHOLARSHIP

Ammisha's first goal is to go into administration at a children's hospital. She plans to contribute to the knowledge and research in providing resources for families and ensuring patient quality for children. She also hopes to become a professor, or academic advisor. Ammisha wants to be able to give back by being able to mentor and reach students at the college or high school level.

BUTTERLY PEER MENTORSHIP SCHOLARSHIP

"I aspire to become a peer mentor to help students navigate the next step on their educational journey at CSULB. I want to use my experience and knowledge to empower and equip students towards success."

I hope to establish a scholarship to help undocumented students access the higher education they need to thrive and succeed. I hope to create a ripple effect around the world through the creation of opportunities and contribute to society by creating positive and unique long-lasting impacts to humanity. The passion I have for helping others and my limitless hunger for higher education will allow me to prevail in reaching my ambitions.
