

Application for the Post-MSW PPSC Program

Thank you for your interest in CSULB's Post-MSW Pupil Personnel Services Credential (PPSC) in School Social Work and Child Welfare and Attendance. Below is the "Part One" application. If you would like us to evaluate your prior work and/or second-year placement experience, please complete a "Part One" **and** "Part Two" application, which are separate documents both found on our webpage here:

<http://web.csulb.edu/colleges/chhs/departments/social-work/stipend-grants-and-programs/post-graduate-pps-credential.html>

Please indicate whether you will need assistance finding an appropriate field placement—**this will not affect any acceptance decisions**. If you require field placement, you need only complete the "Part One" application. Please keep mind, however, that placements take time to find. Therefore, if you would like to start accumulating your field hours as soon as possible, finding your own supervision, with an approved PPSC supervisor, is the best way to do so.

Required Documents for All Application Packets:

1. A completed "Part One" (and "Part Two" if applicable) application form with eligibility criteria and the semester you would like to attend the mandatory SW 665 class **checked off and ranked below**.
2. A current resume detailing all relevant social work experience.
3. Unofficial transcripts showing an awarded MSW degree from a CSWE accredited university.
4. A copy of your certificate of clearance which must be processed and valid ***before*** you apply.
5. A \$55.00 non-refundable check or money order made out to "CSULB" for the application fee.
6. A letter of reference: employer/volunteer, internship or academic

Please email your application packet to the following address:
