

Program Standard 4.1 Course Sequence
Education Specialist Credential Program
ESN Suggested Course Sequence

*****IMPORTANT NOTE TO CTC REVIEW TEAM*****

The Education Specialist Credential Program is currently in transition to the new program standards. The current course sequence can be found on the ESCP Website for both the [Traditional Pathway](#) and the [Intern Pathway](#).

Below is the course sequence for the program beginning in Fall 2022.

The Education Specialist Credential Program is a self-paced program allowing candidates to attend full or part-time. Below is the suggested course sequence, however, upon program admission, candidates must attend mandatory advisement where they will work with program faculty to create their Individualized Program Advisement Plan.
