

# CSULB Reading and Literacy Added Authorization Program (RLAA)

## 4.1 Program Course Sequence

The RLAA program, a 15-unit program, utilizes a cohort model. Each cohort starts in the summer and completes the program in the following summer. The course sequence reflects a spiral structure, and the courses offered in the winter and the second summer are built on the courses offered in the first summer.

Summer 2021		Winter	Summer 2022	
EDRG 540 Advanced Studies in Literacy	EDRG 551 Assessment and Instruction in Reading and Writing	EDRG 543 Integration of Technology into Reading/Language Arts	EDRG 558 Language Studies for Reading Teachers	EDRG 559 Practicum in Teaching Reading and Language Arts

Additional program information is available on the RLAA web site:
