# California State University, Long Beach

### **POLICY STATEMENT 85-14**

August 22, 1985

The following policy was recommended by the Academic Senate in its meeting of May 9, 1985, and received the concurrence of the President on May 24, 1985, and the approval of the Commission on Teacher Preparation on August 6, 1985

Subject: SINGLE SUBJECT TEACHER INTERSHIP CREDENTIAL

In cooperation with approved school districts, the Graduate School of Education may offer a Single Subject Teacher Internship Credential Program.

Objectives:

t

evaluation instruments;

- 11. Identification and use of a variety of effective communication processes among teacher, pupils and parents;
- 12. Demonstration of a positive professional attitude;
- 13. Work cooperatively with teachers and administrators;
- 14. Exhibit the ability to manage time and cope with stress;
- 15. Perform successfully clerical and management duties;
- 16. Understanding professional and legal requirements and responsibilities;
- 17. Demonstrating knowledge of pupil's psychological, physical, emotional, and social characteristics which affect their reading;
- 18. Demonstrating knowledge of: theories of reading, reading instructional approaches, the varieties of school organization for teaching reading (i.e., self-contained class, open space, departmentalized, etc.);
- 19. Demonstrating an ability: to stimulate pupils' interest in reading, to be sensitive to factors that may affect the pupils' progress in reading English including linguistic and dialectal differences of the family, peers, or region; as a model reader and communicator with a knowledge of how teacher expectations affect pupil learning and reading;
- 20. Demonstrating an understanding of ethnic, socio- economic, and dialectal differences which may delay the pupils' normal reading progress in English;
- 21. Demonstrating an ability to make effective use of: techniques for evaluating one's own teaching of reading; approaches to inservice reading; professional organizations, journals, and texts as sources of knowledge and local sources (bookshops, school supply houses, story-tellers) and materials and resources for teaching reading; '
- 22. Demonstrating fluent oral reading and knowledge of word structure, comprehension, analysis of author's purpose, and flexibility;
- 23. Demonstrating knowledge and skills of reading instruction within a school setting, such as a classroom, or tutorial experience.

### **ADMISSION CRITERIA --**

Applicants are to submit a complete application for the Internship Program for review and action by the University Single Subject Teacher Education Committee and the Internship Admissions Committee.

Upon acceptance of the applicant into the Internship Credential Program, the student must submit the State application for an Internship Credential with supporting documents and fees to the California Teacher Preparation Commission through the CSULB Credential Processing Center. The student must hold an Internship Credential prior to engaging in Internship teaching. The requirements for the Internship Credential are as follows:

1. complete the baccalaureate degree, complete or be very

\* C···

A,B,C,D (3,3,3,3) taken as 6 units persemester. To be taken before, during or after Internship Teaching: HSCI 411B, EDP 350.

## Plan B:

Two-year Internship Program -- Required Courses Taken Concurrently and During Summer Sessions

# Suggested sequence:

Summer session -- EDSS 300;
Fall semester -- EDSS 472A, EDSE 421; Spring semester -EDSS 472B, EDSS 450; Summer session -- EDSE 457, IM 340;
Fall semester -- EDSS 472C, EDSE 435; Spring semester -EDSS 472D, EDP 302; Summer session -- EDP 400;
Additional courses to be taken before, during or after Internship teaching -- IM 300, HSCI 411B, EDP 350.

### PROFESSIONAL DUTIES OF THE SINGLE SUBJECT INTERN --

Most Si.ngle Subject Interns will be assigned to teach fulltime in a shortage field.

Conditions of employment are governed by the Master Agreement, school district board policies and regulations. For the purpose of employment, interns are employed under the temporary provisions of the California Education Code (EC44920).

### **EVALUATION OF INTERNSHIP PROGRAMS --**

The Graduate School of Education shall maintain a Single Subject Internship Credential Program Evaluation Plan in cooperation with the participating school districts.

The Plan shall include:

- 1. Evaluation of candidates prior to admission;
- 2. Continuous evaluation of the student during the period of internship teaching;
- 3. Final evaluation of the student prior to issuance of the single subject credential:
- 4. Follow-up of graduates; and,
- 5. Evaluation of the Internship Program.

**EFFECTIVE: Immediately**
