Internal Proceedings/Notable Actions:

GE SLOs document: GEGC was also asked to develop the first draft of the GELOs document. The draft was discussed and revised during the Fall 2019 semester and completed and forwarded to the Academic Senate Spring 2020.

GEEC/GEGC Charge review: GEGC was tasked with reviewing the current GEGC charge and the proposed GEEC charge to align both and distinguish between the activities that may seem duplicative. Once reviewed, the charges were sent to AS Task Force for review.

Presentations/Reports Received:

To facilitate the process of submitting GE proposals, the Chair of GEGC and the GE Coordinator held a series of workshops to assist faculty with writing proposals. The page with information can be found here: <https://csulb.libguides.com/GEworkshop>

Issues/Recommendations to CEPC/Academic Senate:

GEGC sent the final draft of the GELOs to Academic Senate on February 20, 2020. These guided the discussion of Academic Senate and ultimately served as the template for the GELOs document passed May 14, 2020 by Academic Senate.
