

CURRICULUM VITAE (Abbreviated)
Niloofer Bavarian, Ph.D. M.P.H., B.S.
Department of Health Science
California State University, Long Beach
E-mail: Niloofer.Bavarian@csulb.edu

A. EDUCATION

**Postdoctoral
Fellow**

*Prevention Science
Research Training
Program*
**University of
California,
Berkeley**

Ph.D.

*Public Health -
Health Promotion &
Health Behavior*
**Oregon State
University**

M.P.H.

*Public Health -
Health Promotion &
Health Behavior*
**Oregon State
University**

B.S.

Biological Sciences
**University of
California, Santa
Barbara**

B. PROFESSIONAL EXPERIENCES (Since 2014)

Associate Professor

California State University, Long Beach

August 2020-present

Assistant Professor

California State University, Long Beach

August 2014-August 2020

Duties:

- Teach Undergraduate and Graduate Health Science Courses
- Conduct research on health-promoting and health-compromising behaviors
- Provide service to the Department, College, University, and Professional Community

Training Director, Year 2 Scholars, NIH-Funded BUILD Program

California State University, Long Beach

July 2017-Summer 2019

Duties:

- Co-taught Learning Community and Summer Experience for Year 2 Scholars
- Provided graduate school and research mentorship to BUILD students
- Collaborated with Training Directors from additional colleges to develop programming for students and address student difficulties

Research Scientist

Positive Action, A Social-Emotional and Character Education Program

Mentor: Brian Flay

June 2012 – present

Duties:

- Program evaluation for the Chicago randomized controlled trial of *Positive Action*

Postdoctoral Scholar – Fellow (NIAAA grant T32-AA014125)

University of California, Berkeley/Prevention Research Center

Mentor: Bob Saltz

August 2012 – August 2014

Duties:

- Lead and assist with research examining substance use and misuse
- Lead and assist with grant writing and dissemination efforts

C. TEACHING EXPERIENCE

California State University, Long Beach

2014-present

Courses Taught

- Health Science 698: Thesis
- Health Science 697: Directed Studies
- Health Science 590: Independent Study
- Health Science 570: Theoretical Concepts and Issues in Health Science
- Health Science 503: Advanced Community Health Statistics
- Health Science 440: Applied Concepts of Health Science
- Health Science 403: Community Health Statistics
- Health Science 401: Community Health Education
- BUILD Mentoring Community (BMC): A Faculty Mentoring Course
- BUILD SURGE 2: A Summer Course for BUILD Scholars
- UNIV 495: BUILD Learning Community
- UHP 496: Honors Thesis

Oregon State University

2007-2012

Courses Taught

- Public Health 312: AIDS and Sexually Transmitted Infections in Modern Society
- Student Health Services: Alcohol 101

Courses Taught-Teaching Assistant

- Summer 2011 Institute on Research Methodology
- Human Development and Family Studies 447: Families and Poverty
- Public Health 474/574: Public Health and Violence in Society

D. RESEARCH ACTIVITIES

Publications (Published or In Press; ** = CSULB Student Collaboration)

Research in Child Development Special Topic Meeting: Strengthening Connections
Among Child and Family Research, Policy and Practice. Alexandria, VA. April 3-5, 2014.
1-26. Prior to 2014.

E. GRANTS, HONORS AND AWARDS

Funded Grants (PI/Co-PI Roles)

Total Research Grant Funding To-Date (PI Roles Only): \$509,430.37

National Institutes of Health/National Institute on Drug Abuse (\$11,564)

Academic Research Enhancement Award (R15) Supplement

NIDA Summer Internship Program

6/1/2019-8/1/2019

Role: PI

National Institutes of Health/National Institute on Drug Abuse (\$437,140)

Academic Research Enhancement Award (R15)

Exploring deterrents to prescription stimulant diversion and misuse related behaviors.
