

Barron is the current student representative on the Board, He is in his second year of CSULB's Evening MBA program, specializing in finance, and is expected to graduate in 2022.

He has over 12 years of experience in the industrial automation industry working with Emerson Electric and their impact partner network. He has worked his way up from the role of valve technician, to his current position as an account manager with Caltrol, inc. He is responsible for managing relationships between Caltrol and the major Southern California oil refineries. He is also acting as strategic site team leader for the Chevron El Segundo Refinery and works to ensure collaboration between all of the separate Emerson business units.

Prior to his start with Emerson, Barron served in the United States Marine Corps where he obtained the rank of E-5 and held various leadership and quality control roles throughout his enlistment.

Barron earned a B.S. in Business, with a concentration in management, from the University of Phoenix in 2014. He made the decision to pursue an MBA in 2020 to learn the necessary skills to obtain and succeed in leadership positions.
