

Key Project Activities:

COMMUNITY ENGAGEMENT

The creation of community engagement programs with high school students and parents that focus on careers in education

SUBJECT MATTER PREPERATION

The creation of curricular measures in undergraduate general education programs that expedite completion of pipeline degrees with Subject Matter Preparation Programs

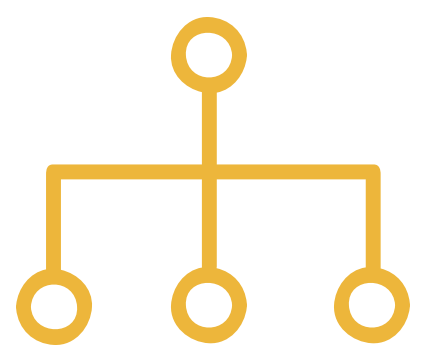

CAMINOS PROJECT LEARNING COMMUNITY

The creation of a teacher preparation learning community for undergraduates with extensive student social, emotional and academic supports for Latinx and low-income students

LATINX TEACHER MENTOR PARTNERSHIP

The creation of a Latinx teacher mentor partnership network for pre-service teachers in initial credential programs

PROFESSIONAL DEVELOPMENT

The creation of professional development programs and assessments that relate to culturally responsive pedagogy in undergraduate teaching and postgraduate fieldwork and clinical practice
