- This was not done, as a quorum was not present.

4. Announcements

- Next meeting Wednesday, May 8
 - This was changed from May 15th on BeachBoard. To be consistent with meeting on the second Wednesday of each month, the committee will meet on May 8th.

5. Old Business

- Charge – Ongoing (BB Link)
- Identify Dept./Partners for CCC collaboration – Ongoing
 - Dr. Saucedo discussed what the Office of Multicultural Affairs provides:
 - Students Talk About Race (STARS) Training – this is a 6-hour training that provides participants with the skills to facilitate discussions about race.
 - The STARS training was recently adapted for 20 faculty in Long Beach Unified School District. This is especially important, given that CSULB is a regional-serving institution. An idea was proposed to provide a similar training for principles and counselors in Long Beach Unified School District. The institution can be of greater support to this school district – the participants wanted more training opportunities. Three structural deterrents to diversity were identified: 1) A-G requirements; 2) lack of social support; and 3) lack of cross-cultural; multicultural community

- Build resource mapping for students, faculty & staff – Ongoing
 - Identified three umbrellas under which to build the resource mapping: students, faculty, and administrators/staff.

6. New Business

- Elect new secretary
 - This did not occur, as a quorum was not present.
- Continue discussion on Campus Climate Survey data applications
 - A statement was sent to Provost Jersky regarding the committee's intents and wishes for the data associated with the HERI campus climate survey. The provost indicated receipt of the statement.

7. Action Items:

- Invite Office of Outreach to a meeting
- Invite the new Director for the Center for Faculty Development to a meeting
