| Enter total dollar amounts awarded to enrolled full-time and less than full-time degree-seeking undergraduates (using the same cohort reported in CDS Question B1, "total degree-seeking" undergraduates) in the following categories. ## I. INSTRUCTIONAL FACULTY AND CLASS SIZE

| Faculty Definitions   |
|---|
| The following definition of full-time instructional faculty is used by the American Association of University Professors (AAUP) in its annual Faculty Compensation Survey (the part time definitions are not used by AAUP). Instructional Faculty is defined as those members of the instructional-research staff whose major regular assignment is instruction, including those with released time for research. Use the chart below to determine inclusions and exclusions: |

| I1: Faculty Inclusions and Exclusions   | Full-time | Part-time  |
|---|-----------|--|
| Instructional faculty in preclinical and clinical medicine, faculty who are not paid (e.g., those who donate their services or are in the military), or research-only faculty, post-doctoral fellows, or pre- | Exclude   | Include only if they teach one or more non-clinical credit courses |
| Administrative officers with titles such as dean of students, librarian, registrar, coach, and the like, even though they may devote part of their time to classroom instruction and may have faculty status  | Exclude   | Include if they teach one or more non-clinical credit courses      |
| Other administrators/staff who teach one or more non-clinical credit courses even though they do not have faculty status  | Exclude   | Include  |
| Undergraduate or graduate students who assist in the instruction of courses, but have titles such as teaching assistant, teaching fellow, and the like  | Exclude   | Exclude  |
| Faculty on sabbatical or leave with pay   | Include   | Exclude  |
| Faculty on leave without pay  | Exclude   | Exclude  |
| Replacement faculty for faculty on sabbatical leave or leave with pay   | Exclude   | Include  |

| Faculty                         | Definition  |
|---------------------------------|---|
| Full-Time Instructional Faculty | Faculty employed on a full-time basis for instruction (including those with released time for research)   |
| Part-time instructional faculty | Adjuncts and other instructors being paid solely for part-time classroom instruction. Also includes full-time faculty teaching less than two semesters, three quarters, two trimesters, or two four-month sessions. Employees who are not considered full-time instructional faculty but who teach one or more non-clinical credit courses may be counted as part-time faculty.   |
| Minority faculty                | Includes faculty who designate themselves as Black, non-Hispanic; American Indian or Alaska Native; Asian, Native Hawaiian or other Pacific Islander, or Hispanic.  |
| Doctorate                       | Includes such degrees as Doctor of Philosophy, Doctor of Education, Doctor of Juridical Science, and Doctor of Public Health in any field such as arts, sciences, education, engineering, business, and public administration. Also includes terminal degrees formerly designated as "first professional," including dentistry (DDS or DMD), medicine (MD), optometry (OD), osteopathic medicine (DO), pharmacy (DPharm or BPharm), podiatric medicine (DPM), veterinary medicine (DVM), chiropractic (DC or DCM), or law (JD). |
| Terminal degree                 | The highest degree in a field: example, M. Arch (architecture) and MFA (master of fine arts).   |

| <b>I3: Undergraduate Class Size</b> | <b>Definition</b>  |
|-------------------------------------|--|
| Class Sections                      | A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated time or times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class sections are defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning classes and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Exclude students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all students in one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-listings. |
| Class Subsections                   | A class subsection includes any subsection of a course, such as laboratory, recitation, and discussion subsections that are supplementary in nature and are scheduled to meet separately from the lecture portion of the course. Undergraduate subsections are defined as any subsections of courses in which degree-seeking undergraduate students enrolled for credit. As above, exclude noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Each class subsection should be counted only once and should not be duplicated because of cross-listings.  |

## J. DEGREES CONFERRED

### Degrees conferred between July 1, 2011 and June 30, 2012

For each of the following discipline areas, provide the percentage of diplomas/certificates, associate, and bachelor's degrees awarded. To determine the percentage, use majors, not headcount (e.g., students with one degree but a double major will be represented twice). Calculate the percentage from your institution's IPEDS Completions by using the sum of 1st and 2nd majors for each CIP code as the numerator and the sum of the Grand Total by 1st Majors and the Grand Total by 2nd major as the denominator. If you prefer, you can compute the percentages using 1st majors only.

## COMMON DATA SET DEFINITIONS

| Terms                                     | Definition   |
|---|--|
| <b>Items preceded by an asterisk (*)</b>  | Items represent definitions agreed to among publishers which do not appear on the CDS document but may be present on individual publishers' surveys  |
| <b>* Academic advisement</b>              | Plan under which each student is assigned to a faculty member or a trained adviser, who, through regular meetings, helps the student plan and implement immediate and long-term academic and vocational goals.   |
| <b>Accelerated program</b>                | Completion of a college program of study in fewer than the usual number of years, most often by attending summer sessions and carrying extra courses during the regular academic term.   |
| <b>Admitted student</b>                   | Applicant who is offered admission to a degree-granting program at your institution.   |
| <b>* Adult student services</b>           | Admission assistance, support, orientation, and other services expressly for adults who have started college for the first time, or who are re-entering after a lapse of a few years.  |
| <b>American Indian or Alaska Native</b>   | A person having origins in any of the original peoples of North and South America (including Central America) and maintaining tribal affiliation or community attachment.  |
| <b>Applicant (first-time, first year)</b> | An individual who has fulfilled the institution's requirements to be considered for admission (including payment or waiving of the application fee, if any) and who has been notified of one of the following actions: admission, nonadmission, placement on waiting list, or application withdrawn (by applicant or institution).   |
| <b>Application fee</b>                    | That amount of money that an institution charges for processing a student's application for acceptance. This amount is not creditable toward tuition and required fees, nor is it refundable if the student is not admitted to the institution.  |
| <b>Asian</b>                              | A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.   |
| <b>Associate degree</b>                   | An award that normally requires at least two but less than four years of full-time equivalent college work.  |
| <b>Bachelor's degree</b>                  | An award (baccalaureate or equivalent degree, as determined by the Secretary of the U.S Department of Education) that normally requires at least four years but not more than five years of full-time equivalent college-level work. This includes ALL bachelor's degrees conferred in a five-year cooperative (work-study plan) program. (A cooperative plan provides for alternate class attendance and employment in business, industry, or government; thus, it allows students to combine actual work experience with their college studies.) Also, it includes bachelor's degrees in which the normal four years of work are completed in three years. |
| <b>Black or African American</b>          | A person having origins in any of the black racial groups of Africa.   |
| <b>Board (charges)</b>                    | Assume average cost for 19 meals per week or the maximum meal plan.  |
| <b>Books and supplies (costs)</b>         | Average cost of books and supplies. Do not include unusual costs for special groups of students (e.g., engineering or art majors), unless they constitute the majority of students at your institution.  |
| <b>Calendar system</b>                    | The method by which an institution structures most of its courses for the academic year.   |
| <b>Campus Ministry</b>                    | Religious student organizations (denominational or nondenominational) devoted to fostering religious life on college campuses. May also refer to Campus Crusade for Christ, an interdenominational Christian organization.   |
| <b>* Career and placement services</b>    | A range of services, including (often) the following: coordination of visits of employers to campus; aptitude and vocational testing; interest inventories, personal counseling; help in resume writing, interviewing, launching the job search; listings for those students desiring employment and those seeking permanent positions; establishment of a permanent reference folder; career resource materials.  |

## FINANCIAL AID DEFINITIONS

| Terms   | Definition   |
|---|--|
| <b>Awarded aid</b>  | The dollar amounts offered to financial aid applicants.  |
| <b>External scholarships and grants</b>   | Scholarships and grants received from outside (private) sources that students bring with them (e.g., Kiwanis, National Merit scholarships). The institution may process paperwork to receive the dollars, but it has no role in determining the recipient or the dollar amount awarded.  |
| <b>Financial aid applicant</b>  | Any applicant who submits any one of the institutionally required financial aid applications/forms, such as the FAFSA.   |
| <b>Indebtedness</b>   | Aggregate dollar amount borrowed through any loan program (federal, state, subsidized, unsubsidized, private, etc.; excluding parent loans) while the student was enrolled at an institution. Student loans co-signed by a parent are assumed to be the responsibility of the student and should be included.  |
| <b>Institutional scholarships and grants</b>  | Endowed scholarships, annual gifts and tuition funded grants for which the institution determines the recipient.   |
| <b>Financial need</b>   | As determined by your institution using the federal methodology and/or your institution's own standards.   |
| <b>Need-based aid</b>   | College-funded or college-administered award from institutional, state, federal, or other sources for which a student must have financial need to qualify. This includes both institutional and noninstitutional student aid (grants, jobs, and loans).  |
| <b>Need-based scholarship or grant aid</b>  | Scholarships and grants from institutional, state, federal, or other sources for which a student must have financial need to qualify.  |
| <b>Need-based self-help aid</b>   | Loans and jobs from institutional, state, federal, or other sources for which a student must demonstrate financial need to qualify.  |
| <b>Items preceded by an asterisk (*)</b>  | Items represent definitions agreed to among publishers which do not appear on the CDS document but may be present on individual publishers' surveys  |
| <b>Non-need-based scholarship or grant aid</b>  | Scholarships and grants, gifts, or merit-based aid from institutional, state, federal, or other sources (including unrestricted funds or gifts and endowment income) awarded solely on the basis of academic achievement, merit, or any other non-need-based reason. When reporting questions H1 and H2, non-need-based aid that is used to meet need should be counted as need-based aid. |
| <b>Note: Suggested order of precedence for counting non-need money as need-based:</b> | Non-need institutional grants, non-need tuition waivers, non-need athletic awards, non-need federal grants, non-need state grants, non-need outside grants, non-need student loans, non-need parent loans, and non-need work.  |
| <b>Non-need-based self-help aid</b>   | Loans and jobs from institutional, state, or other sources for which a student need not demonstrate financial need to qualify.   |
| <b>Work study and employment</b>  | Federal and state work study aid, and any employment packaged by your institution in financial aid awards.   |
