

CALL FOR SUBMISSIONS: INNOVATION HOUR SUSTAINABILITY SHOWCASE

Calling current CSULB students in all majors! Get ready to have your work highlighted in the Innovation Hour Sustainability Showcase this spring!

Seeking all types of sustainability-focused student projects including:

-  Business Pitches
-  Research Posters
-  Artworks
-  Prototypes
-  Videos
-  Performances

Any type of project as long as it is related to a sustainability issue or solution!

Why Participate?

- ▶ Gain recognition for your work
- ▶ Build your resume/portfolio
- ▶ Receive a certificate of participation
- ▶ Compete for prizes and awards!

How to Participate:

- ▶ Create an individual or team project with a sustainability component
- ▶ Create a 1-3 minute video about your project and its sustainability connection
- ▶ Complete a short online submission form and submit your video by deadline
- ▶ If you can, join us for the virtual event & awards ceremony on April 21

Important Dates & Deadlines:

- | | |
|-----------------|--|
| April 7 | DEADLINE for online submission form, project description & short video |
| April 14 | Online gallery of projects & videos will go live for all to visit and enjoy. Panel of judges will begin evaluating projects. |
| April 21 | Winners in each category will be announced and event attendees will have the chance to engage with showcase participants. |
