    - i. Update from Dr. Miller
- V. New Business
  - A. Lauren Jensen idea: “would you be able to if someone is interested in creating a rough / brief timeline of CSULB and LB queer history events? Ideally this is something that could be posted for queer diversity week, but doesn’t have to. There’s so much that gets forgotten and I’m hoping to have a way to preserve some of our history. I’m also wondering if this is something that could be housed/posted on the LGBTIQCC website. The LGBTQ Resource Center website isn’t well managed / updated and the student assistant changes frequently. I’m not sure if there’s a better place to post it where it could be updated as time goes on.”

- B. Social Media Subcommittee? (Pedro has volunteered)
- C. Guidance for athletics (Dr. Miller)
- D. Week of RSCA LGBTQIA+ Symposium (a great opportunity!)
  - “I was wondering if you knew of any CSULB faculty, students, and/or staff who would be willing to do and come up with a topic to have a panel discussion on current research or projects they are doing related to the LGBTQIA+ community. Right now, I don’t have any of the other departments presenting on that, so I thought it would be good to have some representation.” –Enri’que Flores
  - Date preference?
    - i. Tuesday, April 6, 2021 (12pm – 1.30pm)
    - ii. Thursday, April 8, 2021 (12pm – 1.30pm)
- E. A goal from our annual report from last spring: *Work to explore and improve policy language in all campus programs, specifically as they pertain to gender inclusivity. Elements to explore include, but are not limited to, documents/policies/handbooks from: academic departments, colleges, athletics, ASI, Campus Health, CAPS, Risk Management, Student Affairs, Faculty Affairs, Academic Affairs, and Residence Life.*
  - Question: what is the best way to begin this work?
- F. Ongoing concerns: Supporting queer students during the COVID-19 pandemic

## VI. Announcements and Updates
