V. New Business

A. Save the date: LGBTQIA+ Spring Cultural Welcome

Wednesday, February 10, 4-6 pm

- i. We'd love to have as many faculty and staff as possible. Representation has emerged as a really important thing for the queer students on the planning committee.
 - 1. It's changing from last semester. Want to add more about intersection and inclusion.
 - 2. Potential for guest speaker with additional funds; if there is no speaking fees there could also be gift certificates for attendees. If you have ideas, you can contact Caleb or Josh.

B. A goal from our annual report from last spring: *Work to explore and improve policy language in all campus programs, specifically as they pertain to gender inclusivity. Elements to explore include, but are not limited to, documents/policies/handbooks from: academic departments, colleges, athletics, ASI, Campus Health, CAPS, Risk Management, Student Affairs, Faculty Affairs, Academic Affairs, and Residence Life.*

Question: what is the best way to begin this work?

- 1. Update: Working with Office of Equity and Diversity regarding their data collecting process and the questions asked (i.e. gender vs. sex).
- 2. Something to think about is what can we, as individuals do to have these conversations within our department and circles? What policies are in place within our circles to deal with this topic?

C. Ongoing concerns: Supporting queer students during the COVID-19 pandemic

- i. How can students be reached who have not come out, and who do not feel safe at home? They can likely not know what resources are available or are out on campus but not at home.
- ii. Reminder to include inclusive language on our syllabus, resources, and share these with our departments.
- iii. There are some resources listed on the CSULB Care Packet that was sent out.
