 - ii. Flier below
 - B. Safe Zone collaboration
 - i. TAC will collaborate with safe zone to update the trainings. If anyone is interested if this, you can reach out to Shae
 - C. HERI Survey
 - i. Shae update: various committees wrote pieces for different populations. First part was worked on by Josh and Stacy, and over the summer both Julie and Nancy joined Dr. Miller to finish up the report. Dr. Locks is supportive of the length of the report- 56 pages overall.
 - ii. Next part: Qualitative team that will organize focus groups to ensure that everyone's voices are still a part of the report. Shae will share the entire

report with all committees and sections. All are welcomed to take a look at the report.

- D. Faculty and Staff Affinity Group
 - i. Background: after Summer 2020, president established the “President’s Equity and Change Commission;” along with this there is a discussion whether there should be the start of a new LGBTIQ faculty and staff affinity group. There are two existing affinity groups: Latinx Faculty & Staff Association and Black Faculty & Staff Community
 - ii. The paperwork was turned in, the affinity group would be slightly less formal than the campus climate committee, and the hope is that someone from TAC would also join as liaisons along with someone from this committee.
 - E. Changing the name of our committee
 - i. Commonly used acronym: LGBTQIA+ but we are LGBTIQ+. Exploring the option of making the acronym of our committee.
