

F21 | S22

If you interact with students, consider our 6-week learning community created for busy CSULB mentors.

ADVANCING INCLUSIVE MENTORING @CSULB

BEACH MENTOR PROGRAM FOR ENGINEERING FACULTY

Refine Mentoring Skills

Not mentoring 101!
The Beach Mentor Program is designed to enhance and refine positive and inclusive mentoring skills at **any level of experience** and for *all disciplines!*

Connect with Community of Engineering Colleagues

Reflect and discuss best practices in mentoring to **promote CSULB student success and productivity** in your programs.

Share your Commitment

Stick that door decal and wear your lapel pin to signify your commitment to mentoring! Share your **Certificate of Completion** with funding agencies and evaluators.

Stay tuned for an email invitation with details on the COE program, including stipend for Engineering faculty members!!
