Welcome to

CALIFORNIA STATE UNIVERSITY LONG BEACH

SEVENTY-THIRD ANNUAL COMMENCEMENT CEREMONIES

California State University, Long Beach is a member of the 23-campus California State University (CSU) system. The initial college, known then as Los Angeles-Orange County State College, was established on January 29, 1949, and has since grown to become one of the state's largest universities.

The first classes in 1949 were held in a converted apartment building on Anaheim Street and the cost to enroll was just \$12.50. The 169 transfer students selected from the 25 courses offered in Teacher Education, Business Education, and Liberal Arts which were taught by 13 faculty members.

Enrollment increased in 1953 when freshman and sophomore students were admitted.

Expansion, in acreage, degrees, courses and enrollment continued in the 1960s, when the educational mission was modified to provide instruction for undergraduate and graduate students through the addition of master's degrees.

In 1972, the California Legislature changed the name to California State University, Long Beach. Today, more than 37,000 students are enrolled at Cal State Long Beach, and the campus annually receives high rankings in several national surveys.

What students find when they come here is an academic excellence achieved through a distinguished faculty, hard-working staff and an effective and visionary administration. The faculty's primary responsibility is to create, through effective teaching, research and creative activities, a learning environment where students grow and develop to their fullest potential.

Today you are attending one of seven Commencement Ceremonies, taking place over three days, to celebrate the accomplishments of the more than 11,000 graduates and candidates. They are earning doctoral, master's and bachelor's degrees as well as credentials and certificates. We are proud of our graduating students, who now go forward to serve society.

Welcome to our 73rd annual Commencement Ceremonies.

A Message from the President...

Dear Graduate,

Today, you join more than 355,000 fellow Cal State Long Beach alumni who are contributing to their communities and reshaping the world we live in. On behalf of the entire Beach Family; congratulations on your achievement. You have reached a significant milestone in your life, and we are proud to count you among those who call The Beach “home.”

During this celebration, I know you must be feeling appreciation to those who have supported and loved you throughout your educational journey. I encourage you to think about those who touched your life, as well as those whose lives you have lifted up. Savor the memories of the relationships, friendships and connections you made here: they will be with you for the rest of your life.

Whatever your course in life is, I know that you have been equipped to make this world a better place. You proven this during your time here: you contributed to our community in ways that helped make CSULB one of the most diverse, vibrant and transformative communities anywhere in the world.

As you join fellow graduates in celebrating this landmark moment, realize this is not the end of your “learning journey.” There is always more to learn, explore and understand. Today’s ceremony marks a start, not a conclusion – today can be a new beginning. Remember that The Beach can be your partner for lifelong learning.

Finally, please know that your presence here has inspired us and continues to drive us. Because of you, we are a better campus. I know you will carry that spirit forward and continue achieving, leading, inspiring and succeeding as an alum. I encourage you to stay connected, personally and professionally with your alma mater. You will always be a member of this community.

Go Beach!

Sincerely,

A Message from the Interim Chancellor...

Dear Class of 2022,

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. You set your sights on earning a degree; and now, that goal is a reality. That is a wondrous accomplishment, and I hope you feel a well-deserved sense of pride.

I hope you are filled with a sense of kinship and gratitude, as well. So many people have given so much to enable your success: faculty who illuminated your academic path; counselors, advisors, librarians, coaches and support staff who fostered an encouraging environment; family, friends, mentors and colleagues who gave their time and treasures to facilitate your journey. As you celebrate your success, please remember to celebrate their support as well.

Unlike any other graduating class, your university experience has been shaped in extraordinary ways by more than two years of a global pandemic. During those years, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary. While it might have been different than the college experience you envisioned when you started your journey, these years have made you sharper, tougher, brighter and more purpose-driven than ever before.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than four million California State University alumni. They are a remarkable force for good, and I am certain that your addition will multiply their contributions to our communities, to our state and to the world. I ask that you use the knowledge, skills and personal qualities you have developed to work for justice, to seek opportunities to foster equity, and to always uplift and empower others. Stay connected to your campus and look for ways to give back. Support future generations who aspire to follow in your footsteps.

As you step boldly into your future, I know I speak for every member of the California State University community when I express our collective pride in your perseverance and success. Your resolve shines as a symbol of hope and optimism. Again, congratulations, class of 2022!

Sincerely,

A handwritten signature in black ink that reads "Jolene Koester". The signature is cursive and elegant.
