COE Strengths

Positioned for pre-eminence

- CSU mission and values
- Focus on student success and equity
- Strong research and teaching
- Interdisciplinary PhD program
- Large, growing, established COE
- Impact on region and CA

Dean's Vision

Coveted Graduates

Innovative graduates who are sought-after by industry, graduate schools, and society. Exceed goals of Graduation Initiative 2025. Destination school of choice.

Equitable and Inclusive

Responsive programs for historically underserved and all students, staff, and faculty; systematic inequities are identified and dismantled. Industry partnerships.

Named College and Partnerships

Attract naming opportunity for the college and other endowments for ongoing innovation in perpetuity. Broaden resource generation.

High Impact Practices

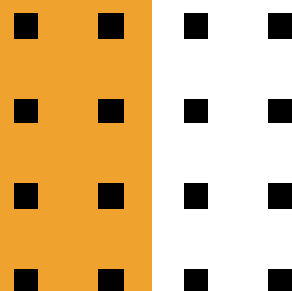

Pedagogy that engages, inspires, transforms, and realizes talents; anticipation of future fields and skill demands. Resource development for faculty development and support.

Applied, Interdisciplinary Research

Culture of philanthropy and continued strong funded research; build research infrastructure for all faculty.

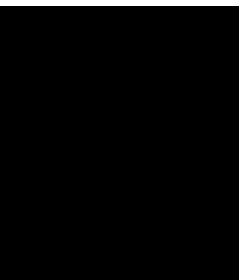

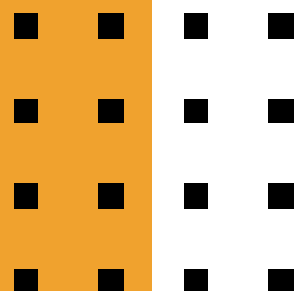

Transformative Faculty

Promote faculty accomplishments and excellence to greater community; source of transformative ideas and action.
