College of Education
Curriculum Mapping Template
Educational Specialist Level 1 Program
Preliminary Credential

The curriculum map for Educational Specialist Level 1 Program is currently in draft form following program changes and will be finalized by program faculty in fall 2014.

Required Course #	Outcome 1: Describes the legal, ethical, and historical foundations of special education in a multicultural society.	Outcome 2: Assesses student current level of performance using multiple measures.	Outcome 3: Candidates will plan individualized education programs in alignment with individual student needs/competencies and California Content Standards, including those for English Learners.	Outcome 4: Candidates will design instruction for students that is aligned with IEP goals, based on student data, and best practices in special education.	Outcome 5: Candidates will effectively collaborate and consult with teachers, families, and other school professionals to provide cohesive delivery of services.	Outcome 6: Candidates will determine effective behavioral, emotional, and environmental supports for student learning.	Outcome 7: Candidates will effectively plan for transition of students into, through, and beyond school.
