

**California State University, Long Beach
District-University Internship Agreement (MOU)
Multiple Subject Intern Program
Single Subject Intern Program
Education Specialist Intern Program**

This document establishes a formal Internship Program Agreement between the initial credential programs listed above and _____(Employer/District), to be effective on the date it is signed. It will remain effective until terminated.

Rationale

The District has a broad recruitment program to locate highly qualified certificated employees. Due to the shortage of certificated teachers in some areas, it is necessary to employ non-certificated personnel. The Internship Program offers a way for the District and the Commission-approved credential programs to collaboratively identify, prepare, and support candidates for the Intern positions in these areas of shortage. The teachers' bargaining associate recognizes the need for an Internship Program and agrees to the District offering Intern positions to suitable candidates in areas of need.

Basic Agreement

1. An intern credential can be authorized by the Commission on Teacher Credentialing (CTC) for up to two years. During that time the Intern completes all credential program requirements. Internships are considered on a case by case basis. This agreement specifically authorizes internships for CSU Long Beach Multiple Subject, Single Subject, and Education Specialist Credential Programs in _____(Employer/District).
2. Each of the credential programs reserves the right of approval for any Intern candidate based on the program's capacity to provide university supervision and support at the school where the Intern is assigned. The programs also reserve the right to withhold approval of an Internship for a candidate who has not demonstrated readiness for full---time teacher of record responsibilities or for admission to the credential program.
3. An Intern is authorized to assume the functions authorized by the credential. The Intern's services meet the instructional needs of the Employer/District. The Intern does not displace other certificated employees, and this Agreement meets with the Employer/District's specifications with certificated employees as affirmed below by signatures of both the Employer's/District's authorized representative and of the certificated bargaining unit's authorized representative.
