“When historians pick up their pens to write the story of the 21st century, let them say that it was your generation who laid down the heavy burdens of hate at last and that peace finally triumphed over violence, aggression and war. So I say to you, walk with the wind, brothers and sisters, and let the spirit of peace and the power of everlasting love be your guide.”

#### **Mode of Delivery and Technical Requirements**

This course is conducted entirely through Alternative Modes of Instruction, using both synchronous online and asynchronous learning. Students will access the course material and activities on [BeachBoard](#) and are required to participate in synchronous class meetings via [Zoom](#). All students must have access to a computer or other device with Internet functionality to access BeachBoard and Zoom, participate in class activities, and complete assignments. Students must also have access to Internet sufficient to interact in synchronous meetings.

Students who experience unexpected technical issues for a class session or assignment will be provided with the opportunity to make up missed work. Students who experience technical issues during a synchronous meeting or with an assignment should email me as soon as possible to let me know. To access this course on [BeachBoard](#) and [Zoom](#), students will need access to the Internet and an up-to-date, supported web browser (Safari, Google Chrome or Firefox). Log in to [BeachBoard](#) with your CSULB Campus ID and BeachID password. Once logged in, you will see the course listed in the My Courses widget; click on the title to access the course. To access Zoom, first [install the latest version](#) of the Zoom app on your device. Use the link provided and/or sign in using your CSULB Campus ID and BeachID password via Single Sign On to create or join a Zoom session. Some of the documents in this course will be available to you in PDF form. If you do not have Adobe Acrobat Reader software on your computer, you can download it by going to <http://get.adobe.com/reader/>. If students need technical assistance during the course or would like to report a technical issue with BeachBoard or Zoom, they should contact the [Technology Help Desk](#). The university is expected to provide an in-person computer lab in the University Student Union during 2020-21 and the opportunity to borrow laptops and/or wi-fi hotspots, if needed. The university will send communications directly to students regarding accessing these resources.

#### **Course Communication**

We will use BeachBoard to make announcements, communicate information, post assignments and corresponding due dates, and discuss course-related topics. Please note: It is the student's responsibility to check BeachBoard a minimum of once per week, as it will contain important information about upcoming class assignments, activities, and other elements of the course. Students should also be sure to check their CSULB email accounts a minimum of once per week to receive important communications about the course from the instructor or other enrolled students. It is best to contact me by email to arrange a time to meet or to ask questions.

#### **Assignments 1-4: Facilitating Communities of Practice Pass/Fail (Signature Assignment)**

**Note: Students are expected to complete and submit Cycle 2 of the CalAPA alongside their work in 655C. According to the rubrics, Cycle 2 assesses the following CAPE: 1B, 1C, 2A, 2B, 2C, 2D, 3C, 5A, 5B, 5C**

Students will complete a series of steps in leading a community of practice that mirrors Cycle 2 of the CalAPA. You are encouraged to follow up on your school improvement plan analysis from EDAD 655A. You may form a new group of three to four teachers and staff in your school or you may use your participation in an ongoing community of practice. Consider your equity gap analysis in EDAD 655A as well as issues of social justice. The project should be manageable enough to be carried out in the time allotted.

Each assignment is due on the date indicated and should be posted on Beach Board. The instructor will not grade the project or give feedback because the project is being submitted as part of CalAPA. However, it must be submitted on time for credit. Points will be deducted for late or incomplete

assignments. You will need to contact your principal for advice, consent, and support to carry out this project. The instructor will write a letter for you to give to your principal introducing the assignment as part of the CalAPA requirements.

Document the group's learning in meeting minutes, including what was discussed, as the group jointly reflects on the implementation and initial results of the strategy and professional learning. Include agreed-upon next steps in the minutes.

Video-record all meetings. Select and annotate 3 video clips that show (1) your approach to co-establishing or revisiting norms for the community of practice; (2) your ability to assist the group to establish ownership, reach consensus, redirect or refocus the conversation, and/or co-facilitate how to implement the evidence-based strategy; (3) the end of a meeting, including how you co-facilitate the group; and (4) how you worked with the group to jointly determine next steps.

- Annotation titles include:
  - Developing or Reviewing Shared Norms and Meeting Purpose
  - Documenting Agreements and Decisions
  - Building Consensus
  - Maintaining Focus and Energy
  - Monitoring for Progress and Next Steps

D	60-69%
F	59% and below

**Course Policies & Requirements**

**Attendance and Participation**

Students are expected to come to class on time and be prepared to participate. The online format of the class makes attendance at every class crucial. However, work, family commitments, and health sometimes make absences unavoidable.

Absence from one class will require a written report on each of the areas missed. The report is due one week after the missed class. Students are encouraged to help each other by sharing information.

Absence of more than one class will result in the reduction of one course grade.

**Late Work/Make-up Policy**

Any extension of deadlines for assignments must be approved by the instructor in advance. Late assignments will result in reduced points.

**Plagiarism/Academic Integrity Policy**

*Approved August 20, 2020*

We expect that all dissertation-related material is your actual work. Your proposal and final dissertation, along with all related documents, are also expected to reflect your own work and ideas, and be properly documented according to accepted scholarly standards (see APA 6<sup>th</sup> edition and University Guidelines).

The University Catalog defines plagiarism as: "...the act of using the ideas or work of another person or persons as if they were one's own, without giving credit to the source." The concept of academic honesty includes receiving improper assistance. Students found to have engaged in academic dishonesty are subject to review as per university policy.

#### Self-Plagiarism

The following policy has been adopted by the EDD program faculty to guide student practice regarding the repeated use of previously submitted student work (often referred to as "self-plagiarism"). It acknowledges that doctoral study is a developmental process, where students can and should develop their work over time across multiple courses. This often means that students have the opportunity to draw on work submitted for prior courses in completing new assignments and projects, or in completing their dissertations. It recognizes that the research and writing processes are iterative, cumulative and dynamic. This policy does not supersede the University Policy on Cheating and Plagiarism, [found here](#):

- If students wish to use any portion of prior work in an assignment, they should consult with the instructor(s) in advance so that the instructor can approve the plan and can give proper guidance on developing the work *and* meeting the expectations of the assignment.
- Any work submitted which draws upon or uses prior coursework (at any level) or culminating experiences (e.g., thesis) should:
  - be used in a way that clearly revises, extends, or develops the original work:
  - be acknowledged (either through a citation or a footnote) appropriately, whether the work has been published (including thesis) or done as a class assignment (this includes group work, so credit is given to all authors);
  - fulfill the requirements of the assignment for a course.
- Instructors will use TurnItIn (or other related software) for course assignments.
- Any allegations of plagiarism or cheating will be resolved through the normal University protocols.

To ensure academic integrity, we will use **Turnitin** to compare your work with multiple sources. The software will report a percentage of similarity and provides links to those specific sources. The tool itself does not determine whether or not a paper has been plagiarized. Instead, we make that judgment. We encourage you to use it yourself, as a means of checking your work and preventing plagiarism. Avoid plagiarism by:

- Reviewing the [University policy](#)
- Learning about the [principles of paraphrasing](#)

#### University Withdrawal Policy

Class withdrawals during the final 3 weeks of instruction are not permitted except for a very serious and compelling reason such as accident or serious injury that is clearly beyond the student's control and the assignment of an Incomplete grade is inappropriate (see [Grades](#)). Application for withdrawal from CSULB or from a class must be filed by the student [online](#), whether or not the student has ever attended the class; otherwise, the student will receive a grade of "WU" (unauthorized withdrawal) in the course. View the CSULB guidelines on [Dropping and Withdrawal](#) for more detailed information.

### Special Needs Accommodations [Required]

Students with disabilities who require reasonable academic accommodations are strongly encouraged to register with the Bob Murphy Access Center (BMAC) each semester. Students must submit supporting disability documentation to BMAC and provide faculty of any BMAC verification of accommodations as early in the semester as possible. BMAC is located in the Student Success Center, Room 110 and may also be reached by phone at (562) 985-5401 or via email at [bmacc@csulb.edu](mailto:bmacc@csulb.edu).

## Additional Information

### Student Support Services

[This is an optional section of the syllabus, and the sample text below may be adapted as needed.]

The Division of Student Affairs has prepared a helpful guide, [Student Resources During COVID-19](#). A full list of student support services is also available on the [Programs and Services](#) website. All units and programs are offering services, primarily in a virtual format; visit individual websites for up-to-date contact information.

Students who are facing challenges resulting in housing and/or food insecurity are urged to contact the [Basic Needs Program](#). Students may also email [supportingstudents@csulb.edu](mailto:supportingstudents@csulb.edu) or call (562)985-2038.

The university has a website where students can request laptops and hotspots: [https://bit.ly/CSULB\\_LHL](https://bit.ly/CSULB_LHL).

### Sexual Assault, Rape, Dating/Domestic Violence, & Stalking

Title IX prohibits gender discrimination, including sexual harassment and sexual misconduct. If you have experienced sexual harassment, sexual assault, rape, dating/domestic violence, or stalking, the campus confidential Victim's Advocate is available to help. Jaqueline Urtez (e: [advocate@csulb.edu](mailto:advocate@csulb.edu), p: (562) 985-2668) can provide **free** and **confidential** support, accommodations, and referrals for victims without having to report the assault to campus authorities. While students are welcome to discuss assaults with faculty, both faculty and teaching assistants are mandatory reporters who are required to report all incidents of sexual harassment/misconduct to the Title IX office for follow-up and possible investigation. Students who do wish to report the assault for possible investigation may contact the confidential victim's advocate, who can help them through the reporting process, or they can report the assault directly to the Title IX Office by completing an online reporting form at <https://www.csulb.edu/equity-diversity/title-ix> or contacting the Office of Equity & Diversity at [OED@csulb.edu](mailto:OED@csulb.edu).

### Class Session Topics and Assigned Readings

The instructor reserves the right to alter this syllabus and/or the structure of the course, including components of the BeachBoard platform, assignments and deadlines, if situations that arise that necessitate doing so.
